### **Review Your Account Statements and Notify Law Enforcement of Suspicious Activity**

As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission.

To file a complaint with the FTC, go to [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (877-438-4338). Complaints filed with the FTC will be added to the FTC's Identity Theft Data Clearinghouse, which is a database made available to law enforcement agencies.

### **Copy of Credit Report**

You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>. Or you can elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. ## **Fraud Alert**

You may consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

## **Security Freeze**

You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax: P.O. Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

Experian: P.O. Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)

TransUnion LLC: P.O. Box 2000, Chester, PA, 19022-2000,  
[freeze.transunion.com](http://freeze.transunion.com)

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above. The contact information for the Federal Trade Commission is as follows:

Federal Trade Commission  
600 Pennsylvania Avenue, NW  
Washington, DC 20580  
[www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)  
1-877-ID-THEFT (877-438-4338)
