Dear:

As a valued customer of Interval International, Inc. ("Interval"), the privacy and protection of your information is a matter we take very seriously, which is why, as a precautionary matter, we are writing to inform you about an incident potentially involving the information that you provided to a representative contracted by our call center vendor. Upon learning of the situation, we took immediate steps to investigate the incident and notified state and federal law enforcement agencies. We have also taken proactive steps to prevent recurrence of such an event, such as conducting a full review of our policies and procedures to ensure the proper handling of Interval's customer information going forward. Although we have no evidence of actual misuse of any of your information as a direct result of this incident, we are notifying you out of an abundance of caution.

To help relieve concerns and restore confidence following this incident, we have arranged for you to enroll, at no cost to you, in credit monitoring and identity protection services for 24 months through Experian. You may sign up for this service by following the instructions included below.

If you believe there was fraudulent use of your information and would like to discuss how you may be able to resolve those issues, please reach out to an Experian agent at 877-890-9332. If, after discussing your situation with an agent, it is determined that Identity Restoration support is needed, then an Experian Identity Restoration agent is available to work with you to investigate and resolve each incident of fraud that occurred (including, as appropriate, helping you with contacting credit grantors to dispute charges and close accounts; assisting you in placing a freeze on your credit file with the three major credit bureaus; and assisting you with contacting government agencies to help restore your identity to its proper condition).

Please note that this Identity Restoration support is available to you for one year from the date of this letter and does not require any action on your part at this time.

The Terms and Conditions for this offer are located at www.ExperianIDWorks.com/restoration. You will also find self-help tips and information about identity protection at this site.

While Identity Restoration assistance is immediately available to you, we also encourage you to activate the fraud detection tools available through Experian IdentityWorks SM as a complimentary one-year membership. ADDITIONAL RESOURCES

Contact information for the three nationwide credit reporting agencies:

Equifax, PO Box 740241, Atlanta, GA 30374, www.equifax.com, 1-800-685-1111

Experian, PO Box 2104, Allen, TX 75013, www.experian.com, 1-888-397-3742

TransUnion, PO Box 2000, Chester, PA 19022, www.transunion.com, 1-800-888-4213

Free Credit Report. It is recommended that you remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring your credit report for unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies. To order your annual free credit report please visit www.annualcreditreport.com or call toll free at **1-877-322-8228**. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to:

Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

Fraud Alert. You may place a fraud alert in your file by calling one of the three nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

Security Freeze. You have the ability to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line, or a written request to any of the three credit reporting agencies listed above. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue.

Federal Trade Commission and State Attorneys General Offices. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the FTC and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft.

You may contact the **Federal Trade Commission**, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).

For Massachusetts Residents: You have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. You also have the right to request a security freeze, as described above.
