Dear <<Name1>>:

Securing and protecting your confidential information is a top priority for Scrapbook.com LLC and it is a responsibility that we take very seriously. I am writing to inform you of an incident involving some of that information, including possibly your name, payment card number ending in <<variable data>>, expiration date, and security code.

We encourage you to remain vigilant by reviewing your account statements and free credit reports for any unauthorized activity. We recommend that you monitor your account statements for any unauthorized activity and report any suspected fraud to your banking institution and card issuer immediately. Card network rules generally provide that cardholders are not responsible for unauthorized charges that are reported promptly. The phone number to call is usually on the back of your payment card. Please see the pages that follow for additional steps you can take to protect your information.

Your confidence and trust are important to us, and we apologize for and deeply regret any inconvenience or concern this may cause. If you have any questions, please call 877-890-8136 Monday through Friday from 9am to 9pm ET.

Sincerely,

McKane Davis  
President

## MORE INFORMATION ON WAYS TO PROTECT YOURSELF

It is always advisable to remain vigilant to the possibility of fraud by reviewing your payment card statements and credit reports for any unauthorized activity. You should immediately report any unauthorized charges to your card issuer because payment card rules generally provide that cardholders are not responsible for unauthorized charges reported in a timely manner. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

*Equifax*, PO Box 740241, Atlanta, GA 30374, [www.equifax.com](http://www.equifax.com), 1-800-685-1111  
*Experian*, PO Box 2002, Allen, TX 75013, [www.experian.com](http://www.experian.com), 1-888-397-3742  
*TransUnion*, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com), 1-800-916-8800

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Massachusetts Office of the Attorney General. Contact information for the Federal Trade Commission is as follows:

*Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue, NW Washington, DC 20580, 1-877-IDTHEFT (438-4338), [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)

You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records.

Note that pursuant to Massachusetts law, you have the right to file and obtain a copy of any police report.

**Credit Freezes:** You may have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. There is no fee to place or lift a credit freeze. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information.

To place a security freeze on your credit report, you must submit a request through a toll-free telephone number, a secure electronic system maintained by the credit reporting agency, or by sending a written request via regular, certified, or overnight mail. To place a security freeze on your credit report, contact each of the credit reporting agencies at the addresses below:

**Experian Security Freeze**, PO Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)  
**TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com)  
**Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years
5. Proof of current address such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning identity theft

The credit reporting agencies have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number ("PIN") or password or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, or to lift a security freeze for a specified period of time, you must submit a request through a toll-free telephone number, a secure electronic system maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to the credit reporting agencies and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze as well as the identity of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must submit a request through a toll-free telephone number, a secure electronic system maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to each of the three credit bureaus and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to remove the security freeze.
