Subject: Notification of Data Security Incident

Dear <<FirstName>> <<MiddleName>> <<LastName>> <<NameSuffix>>,

We are writing to inform you of a data security incident that may have involved some of your personal information. Mansfield Energy Corp. ("Mansfield") takes the privacy and security of your information very seriously. This is why we are contacting you, offering you complimentary identity monitoring services, and informing you about steps that can be taken to help protect your personal information.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

You have the right to place a security freeze on your credit report. A security freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services.

To place a security freeze on your credit report, you must contact each of the three major consumer reporting agencies:

Equifax Security Freeze

P.O. Box 105788
Atlanta, GA 30348
1-800-349-9960
www.equifax.com

Experian Security Freeze

P.O. Box 9554
Allen, TX 75013
1-888-397-3742
www.experian.com/freeze/center.html

TransUnion Security Freeze

P.O. Box 2000
Chester, PA 19016
1-888-909-8872
freeze.transunion.com

In order to request a security freeze, you will need to provide the following information:

1. Your full name and any suffixes;
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (e.g. state driver's license or ID card, military identification, etc.); and
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The consumer reporting agencies then have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number ("PIN") or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to grant a specific entity or individual access to your credit report, you must call or send a written request to the consumer reporting agencies by mail and include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The consumer reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or individuals, or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three (3) consumer reporting agencies by mail and include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. The consumer reporting agencies have three (3) business days after receiving your request to remove the security freeze. You cannot be charged a fee by the consumer reporting agencies to place, lift, or remove a security freeze.

You may also request information on how to place a fraud alert by contacting any of the above consumer reporting agencies. STEPS YOU CAN TAKE TO FURTHER PROTECT YOUR INFORMATION

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant and review your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (the "FTC").

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can also contact one of the following three national credit reporting agencies:

Equifax	Experian	TransUnion	Free Annual Report
P.O. Box 105851	P.O. Box 9532	P.O. Box 1000	P.O. Box 105281
Atlanta, GA 30348	Allen, TX 75013	Chester, PA 19016	Atlanta, GA 30348

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

Security Freeze: You have the right to put a security freeze on your credit file. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC or from your respective state Attorney General about steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state. Residents of North Carolina, and Rhode Island can obtain more information from their Attorneys General using the contact information below:

Federal Trade Commission	North Carolina Attorney General
600 Pennsylvania Ave, NW	9001 Mail Service Center
Washington, DC 20580	Raleigh, NC 27699
consumer.ftc.gov , and	ncdoj.gov
www.ftc.gov/idtheft	1-877-566-7226
1-877-438-4338	

You also have certain rights under the Fair Credit Reporting Act (FCRA): These rights include knowing what is in your file; disputing incomplete or inaccurate information; and requiring consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit <https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf>.

Personal Information of a Minor: You can request that each of the three national credit reporting agencies perform a manual search for a minor's Social Security number to determine if there is an associated credit report. Copies of identifying information for the minor and parent/guardian may be required, including birth or adoption certificate, Social Security card and government issued identification card. If a credit report exists, you should request a copy of the report and immediately report any fraudulent accounts to the credit reporting agency. You can also report any misuse of minor's information to the FTC at <https://www.identitytheft.gov/>. For more information about Child Identity Theft and instructions for requesting a manual Social Security number search, visit the FTC website: <https://www.consumer.ftc.gov/articles/0040-child-identity-theft>.
