Dear Sample A Sample:

CafePress Inc., a wholly-owned subsidiary of Snapfish, LLC, is writing to notify you of a data security incident involving your personal information. This letter explains what happened and provides information about what you can do in response. We are taking this matter very seriously and sincerely regret any concern it may cause you.

What Information Was Involved

The information may have included your name, email address, the password to your CafePress account, and other information (physical address, phone number, and in a small number of cases, only the last four digits of your credit card number and credit card expiration date). The information also included your Social Security Number and/or Tax Identification Number.

What We Are Doing

We have been diligently investigating this incident with the assistance of outside experts. We also have contacted and are cooperating with federal law enforcement authorities. In addition, we have taken various steps to further enhance the security of our systems and your information, and the affected database has been moved to a different environment.

What You Can Do

As described in the enclosed document titled "Additional Resources," we recommend you remain vigilant and take steps to protect against identity theft or fraud, including monitoring your accounts and free credit reports for signs of suspicious activity.

We also recommend that you visit the CafePress website and log in to any online account you may have, which should prompt you to change your account password, if you have not done so recently. In general, you should always ensure that you are not using the same password across multiple accounts, and that you are using strong passwords that are not easy to guess.

To further protect your identity, we are offering you a complimentary two-year membership into Experian's® IdentityWorksSM, which provides credit monitoring and identity theft resolution services. To activate your membership, please follow the steps below:

- Ensure that you enroll by: 12/31/19 (Your code will not work after this date.)
- Visit the Experian IdentityWorks website to enroll: <https://www.experianidworks.com/credit>
- Provide your activation code: ABCDEFGHI

The enclosed document titled "Your IdentityWorks Membership" provides more information on how to take advantage of this additional protection.

Tax-Related Identity Theft

Taxpayers should be mindful of tax-related identity theft, which includes incidents where someone uses a stolen taxpayer identification number to file a tax return claiming a fraudulent refund. If you e-file your tax return and discover that a return has already been filed using your tax information, or if the IRS sends you a letter saying it has identified a suspicious return using your information, you should visit the IRS's identity theft web page at <https://www.irs.gov/uac/Taxpayer-Guide-to-Identity-Theft> and follow the instructions. You can also visit that website in advance of any e-filing of your returns to explore possible identity theft protections offered by the IRS.

For More Information

If you have any questions or concerns for CafePress, please contact: 1-855-347-6511 Monday-Friday from 9:00 a.m. to 9:00 p.m. ET or Saturday-Sunday from 11:00 a.m. to 8:00 p.m. ET.

Sincerely,
