Dear <<FirstName>> <<MiddleName>> <<LastName>> <<NameSuffix>>,

PKF, LLP ("we," "us," or "our") is a CPA firm that provides auditing services to employee benefits plans. The protection and privacy of the personal information entrusted to us is one of our highest priorities. Because of this, we are writing to make you aware of a recent data security incident.

We recently discovered that a PKF owned, password protected, but unencrypted, laptop was stolen during a theft. When this laptop owned by PKF was stolen, we were engaged in audit services for FormFactor, Inc., on whose behalf we are sending to you this notice. Upon learning of the theft, we promptly investigated the incident, reset the laptop user's system credentials, and notified law enforcement. At this point, we are not aware of any fraud or identity theft to any individual as a result of this incident, and we do not believe that the data stored on the laptop was the target of the crime. Nevertheless, as part of our investigation, we identified files that would have been locally saved on the laptop and searched for any personal information in these files. On September 5, 2019, we confirmed that these files contained some of your personal information, including your name and Social Security number.

We do not know for certain if any of your personal information was ever viewed or acquired by an unauthorized party, and we are not aware of any instances of identity theft as a result of this incident. Although we are not aware of any instances of fraud or identity theft, we are offering you a complimentary, two-year membership of Experian IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. **For more information on IdentityWorks Credit 3B, including instructions on how to activate your complimentary, two-year membership, please see the additional information provided in this letter.**

We are committed to taking steps to help prevent something like this from happening again, including reviewing our technical controls. For further information and assistance, please call 1-877-514-0842, Monday through Friday from 9:00 a.m. to 6:30 p.m. Eastern Time.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze can be placed without any charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must send a written request to each of the three major consumer reporting agencies by regular, certified or overnight mail at the addresses below or, if available, comply with the consumer reporting agencies' online security freeze request procedures:

Equifax Security Freeze 1-800-349-9960 www.equifax.com P.O. Box 105788 Atlanta, GA 30348	Experian Security Freeze 1-888-397-3742 www.experian.com P.O. Box 9554 Allen, TX 75013	Trans Union Security Freeze 1-888-909-8872 www.transunion.com P.O. Box 160 Woodlyn, PA 19094
---	--	--

In order to request a security freeze, you may need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);

8. If you are not a victim of identity theft, include payment by check, money order, or credit card (Visa, MasterCard, American Express or Discover only). Do not send cash through the mail.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail or, if available, comply with the consumer reporting agencies' online procedures for lifting a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail or, if available, comply with the consumer reporting agencies' online procedures for removing a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze.
