Re: Data Incident Involving Your Personal Information

Dear <<Client Names>>,

Following up on discussion with <<Client Name>>, on September 23, 2019, we are writing to provide additional information regarding a recent data incident involving your personal information. We recently sent you a package via UPS containing a Pledged Asset Line application for both of you to complete and included a return UPS mailing-label for you to send the completed application back to us. UPS acknowledged receiving your return package on September 9, 2019, but has no record of delivering it to us and we have no record of receiving it. We asked UPS to conduct a lost package investigation, and, unfortunately, UPS has been unable to locate the package. The completed application would have included your Social Security numbers, names, address, dates of birth, driver's license numbers, mother's maiden name, phone number, email address, and account numbers ending in 448 and 557.

We have no evidence of unauthorized use of your personal information. As a precaution, we would like to offer you each complimentary two-year credit monitoring subscriptions from IdentityForce. To subscribe, please see the enclosed information sheet and use the unique verification codes provided.

Federal law allows consumers to place a security freeze on their credit reports at no charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

To place a security freeze on your credit report, you can go online or send a written request to each of the three major consumer reporting agencies: Equifax (www.equifax.com); Experian (www.experian.com); and TransUnion (www.transunion.com) by regular, certified or overnight mail at the addresses below:

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013
Phone: 888-397-3742

TransUnion Security Freeze
P.O. Box 2000
Chester, PA 19016
Phone: 800-680-7289

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348
Phone: 866-349-5191

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;

5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of a police report, investigative report, or complaint to a law enforcement agency concerning identity theft

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you can go online, call, or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and Social Security number) **and** the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you can go online, call, or send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and Social Security number) **and** the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

Under Massachusetts law, you have the right to obtain a police report regarding the incident.

To learn about security measures designed to keep your personal and financial information safe online, we recommend you visit SchwabSafe at www.Schwab.com/schwabsafe.

We can provide you with a Schwab.com security token and/or place a verbal password on your account. Security tokens offer an additional layer of authentication when logging in to Schwab.com. If you choose to have a verbal password, you will be required to provide this additional password whenever you speak with a Schwab representative by phone. To learn more, request a security token free of charge or place a verbal password, please call us at 1-800-435-4000.

We also encourage you, as always, to monitor your financial accounts and credit reports and report any suspicious or unrecognized activity to local law enforcement and your financial institution.

To learn more about protecting yourself from identity theft, visit the Federal Trade Commission's website at www.ftc.gov/bcp/edu/microsites/idtheft, or call them toll-free at 1-877-FTC-HELP.

We are committed to safeguarding the privacy of your information and we take the security of your account seriously. We apologize for any inconvenience this may cause you. If you have any questions, please contact me, Jeff Chiappetta, Vice President, at 817-854-6035.

Sincerely,

Jeff Chiappetta
Vice President

About the IdentityForce identity theft protection product

IdentityForce identity theft protection will "alert" you to changes to your credit report and help you understand the content of your credit report at the three major credit-reporting agencies. Should you become a victim of identity theft, you will be provided with fully managed restoration services. Note: You must be over age 18 with a credit file in order to take advantage of the product.

IdentityForce provides you with the following features and benefits:

- Comprehensive credit report monitoring and automated alerts of key changes to your **TransUnion, Experian, and Equifax** credit reports
- 3-in-1 Credit Report available immediately upon enrollment
- Up to \$1 million in identity theft insurance with \$0 deductible
- Fully managed restoration services for victims of identity theft
- 24 by 7 live agent Customer Service to provide personalized identity theft victim assistance and answer all your questions

Enroll online or over the phone

To sign up online go to <https://secure.identityforce.com/benefit/schwab>

1. **Landing Page:** Enter your name, email, and verification code and click "Enroll Now".
2. **Complete Account Activation:** Complete the form with your required information (i.e. name, Social Security number, date of birth, and home address).
3. **Account Security:**
 - Create a case sensitive password and choose a secret question and case sensitive answer.
 - Click whether you would like to receive mobile text alerts.
 - Two factor authentication is required for setup. Select the method to receive the two factor authentication code and once received, enter in the appropriate field.
4. **Dashboard:** Once completed, you will see your account dashboard. Clicking on the "My Services" tab will allow you to activate services.
5. **Credit Monitoring and Report:** In order to access your Credit Report and activate credit monitoring, you will have to answer up to four security questions to verify your identity.

Should you choose to sign up via phone, please contact IdentityForce Member Services at 877-694-3367. Representatives are available 24/7. You will need the Verification Code listed above.

Directions for placing a Fraud Alert

A fraud alert is a consumer statement added to your credit report. This statement alerts creditors of possible fraudulent activity within your report. It also requests that they contact you prior to establishing any accounts in your name. Once the fraud alert is added to your credit report, all creditors should contact you prior to establishing any account in your name. To place a fraud alert on your credit file, visit TransUnion LLC at <https://www.transunion.com/fraud-victim-resource/place-fraud-alert>. Once the fraud alert has been placed with TransUnion, a notification will be sent to the other two credit reporting agencies, Experian and Equifax.
