(Address Redacted)

Dear Mr. and Mrs. (Name Redacted):

At Dedham Institution for Savings, we take our obligation to safeguard sensitive personal information entrusted to us very seriously. As part of our efforts, by this letter, we are notifying you again (you were originally notified by telephone on October 17th) of the unauthorized acquisition of your personal information on October 17, 2019 when we erroneously provided to another customer an image of a check drawn on your account.

We are required to notify you of this situation in accordance with Massachusetts General Laws, Chapter 93H. We encourage you to consider all options to help protect your privacy and security, and in particular, we encourage you to please review the below information about safeguards you can take to protect your personal information.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

You also have a right to place a security freeze on your credit report, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies: Equifax ([www.equifax.com](http://www.equifax.com)); Experian ([www.experian.com](http://www.experian.com)); and TransUnion ([www.transunion.com](http://www.transunion.com)) by regular, certified or overnight mail at the addresses below:

Equifax Security Freeze  
P.O. Box 105788  
Atlanta, GA 30348

Experian Security Freeze  
P.O. Box 9554  
Allen, TX 75013

Trans Union Security Freeze  
Fraud Victim Assistance Department  
P.O. Box 2000  
Chester, PA 19022-2000

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;

6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft;

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and social security number) **and** the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified time period.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) **and** the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

We deeply regret this incident and any concern it may raise or any inconvenience that it may cause you.
