RE: Notice of Data Security Incident

Dear <<first_name>> <<middle_name>> <<last_name>> <<suffix>>,

This letter is to inform you of a data security incident that may have involved some of your personal information. At the City of Bend (the "City"), we take the privacy and security of our customers' information seriously. In addition to informing you about steps you can take to help protect your personal information, we are offering you one year of complimentary credit and identity monitoring services.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. This should be provided at no charge. A security freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must send a written request to each of the three major consumer reporting agencies:

Equifax Security Freeze: P.O. Box 105788, Atlanta, GA 30348, 1-888-298-0045, www.equifax.com

Experian Security Freeze: P.O. Box 9701, Allen, TX 75013, 1-888-397-3742, www.experian.com/freeze/center.html

TransUnion Security Freeze: P.O. Box 2000, Chester, PA, 19016, 1-888-909-8872, freeze.transunion.com

In order to request a security freeze, you will need to provide the following information:

1. Your full name and any suffixes;
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill; and
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.).

If you request a security freeze by phone or online, the consumer reporting agencies must put the freeze in place within one (1) business day. If you request a security freeze by mail, the consumer reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN), password, or both, that can be used by you to authorize the removal or lifting of the security freeze.

To remove or temporarily lift the security freeze, you must request that the consumer reporting agency remove or lift the security freeze. You may submit the request by secure electronic means, by telephone, or by mail. You will be required to include proper identification in the request (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. If the request is made by telephone or secure electronic means, the consumer reporting agencies have one (1) hour after receiving the request to lift the security freeze. If the request is made by mail, the consumer reporting agencies have three (3) business days after receiving your request to lift the security freeze to accommodate the request.

In order to determine whether any unauthorized credit was obtained with your information, you may obtain a copy of your credit report at www.annualcreditreport.com or 877-322-8228. You may also request information on how to place a fraud alert by contacting any of the above consumer reporting agencies. A fraud alert is intended to alert you if someone attempts to obtain credit in your name without your consent. It is recommended that you remain vigilant for any incidents of fraud or identity theft by reviewing credit card account statements and your credit report for unauthorized activity. You may also contact the Federal Trade Commission (FTC) to learn more about how to prevent identity theft:

FTC, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, D.C. 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 877-IDTHEFT (438-4338).

You can follow the recommendations included with this letter to help protect your personal information, including by activating the complimentary one year of credit and identity monitoring services that we are offering. To activate the free services, please visit krollbreach.idMonitoringService.com and use the following membership number: <<Member ID>>. The specific services include Single Bureau Credit Monitoring, Fraud Consultation, and Identity Theft Restoration services. Additional information about these services may be found at the aforementioned website. Please note you must activate by April 13, 2020. To receive credit monitoring services, you must be over the age of 18, and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

If you have any questions about this letter, please call 1-844-987-1209, 8:00 a.m. to 5:00 p.m. Pacific Time. The City also has a dedicated webpage with frequently asked questions and information about this incident, accessible at www.bendoregon.gov/data-advisory. You also may consult the resources included on the following page, which provides additional information about helping protect your personal information.

We understand the worry and inconvenience that incidents like this can cause. We encourage you to take advantage of these resources, and to contact us at the number above with any questions.

Sincerely,

Stephanie Betteridge

Steps You Can Take to Help Further Protect Your Information

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print this form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>. You also can contact one of the following three national credit reporting agencies:

TransUnion	Experian	Equifax	Free Annual Report
P.O. Box 1000	P.O. Box 9532	P.O. Box 740241	P.O. Box 105281
Chester, PA 19016	Allen, TX 75013	Atlanta, GA 30374	Atlanta, GA 30348

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

Security Freeze: Under U.S. law, you have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state. Residents of Maryland, North Carolina, and Rhode Island can obtain more information from their Attorneys General using the contact information below.

Commission**
600 Pennsylvania Ave, NW
Washington, DC 20580
consumer.ftc.gov, and
www.ftc.gov/idtheft

You also have certain rights under the Fair Credit Reporting Act (FCRA): These rights include to know what is in your file; to dispute incomplete or inaccurate information; to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information, as well as others. For more information about the FCRA, and your rights pursuant to the FCRA, please visit http://files.consumerfinance.gov/f/201504_cfpb_summary_your-rights-under-fcra.pdf.

TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You've been provided with access to the following 'services'¹ from Kroll:

Single Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who can help you determine if it's an indicator of identity theft.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator can dig deep to uncover the scope of the identity theft, and then work to resolve it.

¹ Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge. To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.
