## ADDITIONAL INFORMATION ABOUT IDENTITY THEFT

- Regular monitoring of your credit report helps identify suspicious activity. Under federal law, you are entitled to obtain one free copy of your credit report every twelve months from each of the nationwide consumer reporting agencies. You can obtain a free copy of your credit report from each agency by calling 1-877-322-8228 or visiting [www.annualcreditreport.com](http://www.annualcreditreport.com). We recommend that you periodically obtain credit reports from each nationwide credit reporting agency. If you discover fraudulent activity, you can contact your local law enforcement agency, the attorney general of your state, or the Federal Trade Commission. You can also request that the credit reporting agency delete that information from your credit report file.
- You may also consider contacting the credit reporting agencies directly if you wish to put in place a fraud alert or a security freeze. A fraud alert will notify any merchant checking your credit history that you may be the victim of identity theft and that the merchant should take additional measures to verify the application. Contacting any one of the three agencies will place an alert on your file at all three. A security freeze restricts all creditor access to your account but might also delay any requests you might make for new accounts. You may contact the nationwide credit reporting agencies at the following numbers to place a security freeze to restrict access to your credit report:
  - Equifax: 800-349-9960; [www.equifax.com](http://www.equifax.com); P.O. Box 740241, Atlanta, GA 30374-0241
  - Experian: 1-888-EXPERIAN (397-3742); [www.experian.com](http://www.experian.com); P.O. Box 9554, Allen, TX 75013
  - TransUnion: 888-909-8872; [transunion.com](http://transunion.com); Fraud Victim Assistance, P.O. Box 2000, Chester, PA 19022-2000

You will need to supply your name, address, date of birth, Social Security number, and other personal information. The agencies are not permitted to charge you for placing or lifting a freeze. Each credit reporting agency will confirm your request with a unique PIN or password that you will need in order to lift or remove the freeze. You should keep the PIN or password in a safe place.

- Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.
- To report incidents of fraud and identity theft, you can contact the Federal Trade Commission (FTC) at 1-877-ID-THEFT, through their website at <http://identitytheft.gov>, or in writing at Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20850.
