Additional information about security freezes is included below. Please also note that you can report any suspected incidents of identity theft to law enforcement, your state’s attorney general and the FTC. Under Massachusetts law, you have the right to obtain any police report filed about this issue.

Additional Information About Security Freezes. You also have a right to place a “security freeze” on your credit report at no charge, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. In addition, a security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

If you wish to place a security freeze on your credit file, you must separately place a security freeze on your credit file at each credit reporting agency. In order to place a security freeze, you may need to provide the following information: (1) Full name (including middle initial as well as Jr., Sr., II, III, etc.); (2) Social Security Number; (3) Date of birth; (4) Addresses for the prior five years; (5) Proof of current address; and (6) A legible copy of a government issued identification card. You can contact each credit reporting agency below for details on what information each company requires and to place a security freeze on your credit file:
