Dear <<Full Name>>:

We are writing to inform you of an incident involving National Filter Media ("NFM"), a subsidiary of AlSCO, Inc. ("AlSCO"), which may have resulted in the disclosure of some of your personal information. At this time, we are not aware of the misuse of any of your information. Nonetheless, we are notifying you out of an abundance of caution. We take the security of your personal information very seriously, and sincerely apologize for any inconvenience this incident may cause. This letter contains information about the incident, steps you can take to protect your information, and resources we are making available to help you.

On January 8, 2020 NFM learned of an event involving NFM that may have resulted in the exposure of your personal information, including your name and social security number. NFM, however, is not aware of any evidence that your information was in fact stolen or misused.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must make a direct request by telephone, secure electronic means (website), or written request to each of the three major consumer reporting agencies: Equifax; Experian; and TransUnion at the addresses and/or numbers below:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348
www.freeze.equifax.com
800-525-6285

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013
www.experian.com/freeze
888-397-3742

TransUnion (FVAD)
P.O. Box 2000
Chester, PA 19022
freeze.transunion.com
800-680-7289

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving a telephone or secure electronic request, or three (3) business days after receiving your written request, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze.

To permanently remove the security freeze, or to temporarily lift the security freeze for a specified period of time or to provide a specified entity access to your credit report, you must make a request either by phone, through secure electronic means (website), or send a written request to the credit reporting agencies by mail. Requests must include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. To temporarily remove the security freeze, include the specific period of time you want the credit report available or the name of the entity you want to have access to your credit report.

In the case of a request by phone or secure electronic means, the security freeze will be lifted within one (1) hour after receiving the request for removal; or in the case of a request that is by mail, the credit reporting agencies have three (3) business days after receiving your request to permanently or temporarily remove the security freeze.
