Subject: Data Security Incident

Dear <<First Name>> <<Last Name>>:

I am writing to inform you of a data security incident experienced by Paul Quinn College ("PQC") that involved your personal information. PQC sincerely regrets any concern that this incident may cause you. This intended to provide you with information about the incident as well as to inform you of steps that can be taken protect your information.

Under Massachusetts law, you have the right to obtain any police report filed about this incident. If you experience identity theft, you have the right to file a police report and obtain a copy of it.

Also, you have the right to place a security freeze on your credit report for up to one year at no cost. A security freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report without authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must contact **each** of the three major consumer reporting agencies:

- Equifax Security Freeze: P.O. Box 105788, Atlanta, GA 30348, 1-800-349-9960, www.equifax.com
- Experian Security Freeze: P.O. Box 9554, Allen, TX 75013, 1-888-397-3742, www.experian.com/freeze/center.html
- TransUnion Security Freeze: P.O. Box 2000, Chester, PA, 19016, 1-888-909-8872, freeze.transunion.com

In order to request a security freeze, you will need to provide the following information:

1. Your full name and any suffixes;
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must send a request to the consumer reporting agencies and include proper identification (name, address, and Social Security number), the PIN or password provided to you when you placed the security freeze, as well as the identities of entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The consumer reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a request to each of the three consumer reporting agencies and include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. The consumer reporting agencies have three (3) business days after receiving your request to remove the security freeze. There is no fee to place, lift or remove a security freeze.

In order to determine whether any unauthorized credit was obtained with your information, you may obtain a copy of your credit report at www.annualcreditreport.com or 877-322-8228. You may also request information on how to place a fraud alert by contacting any of the above consumer reporting agencies. A fraud alert is intended to alert you if someone attempts to obtain credit in your name without your consent. It is recommended that you remain vigilant for any signs of fraud or identity theft by reviewing credit card account statements and your credit report for unauthorized activity. You may also contact the Federal Trade Commission (FTC) to learn more about how to prevent identity theft:

FTC, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, D.C.
