As an added precaution, we are also offering 24 months of complimentary access to identity monitoring, fraud consultation, and identity theft restoration services through ID Experts MyIDCare. We encourage you to contact ID Experts with any questions and to enroll in free MyIDCare services by calling (800) 939-4170 or going to <https://app.myidcare.com/account-creation/protect> and using the Enrollment Code provided above. We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit file report, based upon the method of the request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with the process by which you may remove the security freeze, including an authentication mechanism. Upon receiving a direct request from you to remove a security freeze and upon receiving proper identification from you, the consumer reporting agency shall remove a security freeze within one (1) hour after receiving the request by telephone for removal or within three (3) business days after receiving the request by mail for removal.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
