Dear <<MemberFirstName>> <<MemberLastName>>,

The Town of Concord writes to you regarding an incident that may affect the security of some of your personal information. This letter contains an overview of our response and steps you may take to better protect your personal information, should you feel it necessary to do so.

We take this matter and the security of your personal information very seriously. Out of an abundance of caution, we have reset old passwords and changed access procedures. As part of our ongoing commitment to the security of personal information in our care, we are also reviewing our existing policies and procedures and implementing additional safeguards to enhance the security of information in our possession.

As an added precaution, we are also offering you complimentary access to 18 months of identity monitoring and restoration services through Kroll. We encourage you to activate these services, as we are not able to act on your behalf to activate you. Please review the following instructions in order to do so:

Visit <https://enroll.idheadquarters.com> to activate and take advantage of your identity monitoring services.

You have until **November 2, 2020** to activate your identity monitoring services.

Membership Number: <<Member ID>>

You've been provided with access to the following services¹ from Kroll:

Single Bureau Credit Monitoring. You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who can help you determine if it's an indicator of identity theft.

Fraud Consultation. You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration. If you become a victim of identity theft, an experienced Kroll licensed investigation will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator can dig deep to uncover the scope of the identity theft, and then work to resolve it.

We encourage you to remain vigilant against incidents of identity theft, to review your account statements, and to monitor your credit reports and Explanation of Benefits forms for suspicious activity. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that

¹Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
