Dear <<first\_name>> <<middle\_name>> <<last\_name>> <<suffix>>,

Esperanza Health Centers ("Esperanza") writes to inform you of a recent incident that may affect the privacy of some of your information. On July 16, 2020, Esperanza received notification from one of its third-party vendors, Blackbaud, Inc. ("Blackbaud"), of a cyber incident. Blackbaud is a cloud computing provider that offers customer relationship management and financial services tools to organizations, including Esperanza. Upon receiving notice of the cyber incident, we immediately commenced an investigation to better understand the nature and scope of the incident and any impact on Esperanza data. This notice provides resources available to you to help protect your information from possible misuse, should you feel it necessary to do so.

The confidentiality, privacy, and security of information in our care are among our highest priorities, and we take this incident very seriously. As part of our ongoing commitment to the security of information in our care, we are working to review our existing policies and procedures regarding our third-party vendors, and are working with Blackbaud to evaluate additional measures and safeguards to help protect against this type of incident in the future. We also notified government regulators, as required.

While we are unaware of any misuse of your information as a result of this incident, we are offering you access to 18 months of credit monitoring, fraud consultation and identity restoration services through Kroll.

Additional information describing your services is included with this letter.

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
