Dear Valued Subscriber:

Wall Street Strategies is committed to the privacy of our customers and the security of your information. As part of this commitment, we are providing you this notice regarding a data security incident that could affect you.

Wall Street Strategies discovered on 12-14-2020 that it had been the victim of a data security incident. Although we do not have any evidence that your information was misused as a result of this data security incident, your information may be at risk.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing, or other services.

If you have been a victim of identity theft, and you provide the credit reporting agency with a valid police report, it cannot charge you to place, lift, or remove a security freeze. In all other cases, a credit reporting agency may charge you up to \$5.00 each to place, temporarily lift, or permanently remove a security freeze.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies:

Equifax Security Freeze  
P.O. Box 105788  
Atlanta, GA 30348  
(800) 525-6285  
[www.equifax.com](http://www.equifax.com)

Experian Security Freeze  
P.O. Box 9554  
Allen, TX 75013  
(888) 397-3742  
[www.experian.com](http://www.experian.com)

TransUnion Security Freeze  
Fraud Victim Asst. Div.  
P.O. Box 2000  
Chester, PA 19016  
(800) 680-7289  
[www.transunion.com](http://www.transunion.com)

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);

7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft; and

8. If you are not a victim of identity theft, include payment by check, money order, or credit card (Visa, MasterCard, American Express, or Discover only). Do not send cash through the mail.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

Wall Street Strategies has referred this matter to the FBI, and Wall Street Strategies is redoubling its efforts to ensure that its systems are secure.
