**Notice of Data Breach**

Dear <<First Name>> <<Last Name>>,

This letter is to notify you that Linemaster Switch Corporation ("LSC") was the victim of a data security incident that might have resulted in unauthorized access to some of your personal information. We take the privacy and protection of your personal information very seriously. We regret any inconvenience this may cause. This letter contains information about what happened, steps we have taken, and the resources we are making available to you to help protect your identity.

On or around April 29, 2020, two emails were received by a few employees requesting that LSC modify information that were not in fact legitimate. We promptly hired a specialized cybersecurity firm to conduct a forensics investigation to determine the nature and scope of the compromise. Based on the investigation, it appears that some of your personal information was contained in the employees' compromised email accounts consisting of your <<data field>>. While we do not have any evidence of the misuse of your information, we are nonetheless notifying you out of an abundance of caution.

We take the security of all information in our systems very seriously and want to assure you that we are taking steps to prevent a similar event from occurring in the future. The steps include, but are not limited to: instituting an enterprise wide password reset; forcing all employees to log out of the system and requiring them to log in with their updated credentials; implementing multifactor authentication; updating policy and procedures with regard to how bank account changes are handled; and purchased Microsoft 365's Advanced Threat Protection Plan 1 email filter.

In addition, we are offering identity theft protection services through IDX, the data breach and recovery services expert. IDX identity protection services include: 24 months of tri bureau credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed id theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised.

We encourage you to contact IDX with any questions and to enroll in free identity protection services by calling 1-800-939-4170 or going to <https://app.idx.us/account-creation/protect> and using the Enrollment Code provided above. IDX representatives are available Monday through Friday from 6 am - 6 pm Pacific Time. Please note the deadline to enroll is April 4, 2021.

Again, at this time, there is no evidence that your information has been misused. However, we encourage you to take full advantage of this service offering. IDX representatives have been fully versed on the incident and can answer questions or concerns you may have regarding protection of your personal information.

You will find detailed instructions for enrollment on the enclosed Recommended Steps document. Also, you will need to reference the enrollment code at the top of this letter when calling or enrolling online, so please do not discard this letter.

Please call 1-800-939-4170 or go to <https://app.idx.us/account-creation/protect> for assistance or for any additional questions you may have.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must make a direct request by telephone, secure electronic means (website), or written request to each of the three major consumer reporting agencies: Equifax; Experian; and TransUnion at the addresses and/or numbers below:

Equifax Security Freeze  
P.O. Box 105788  
Atlanta, GA 30348  
[my.equifax.com/consumer-registration](http://my.equifax.com/consumer-registration)  
(800) 349-9960

Experian Security Freeze  
P.O. Box 9554  
Allen, TX 75013  
[experian.com/freeze](http://experian.com/freeze)  
(888) 397-3742

TransUnion Security Freeze  
Fraud Victim Assistance Dept.  
P.O. Box 2000  
Chester, PA 19022-2000  
[transunion.com/credit-freeze](http://transunion.com/credit-freeze)  
(888) 909-8872

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving a telephone or secure electronic request, or three (3) business days after receiving your written request, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze.

To permanently remove the security freeze, or to temporarily lift the security freeze for a specified period of time or to provide a specified entity access to your credit report, you must make a request either by phone, through secure electronic means (website), or send a written request to the credit reporting agencies by mail. Requests must include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. To temporarily remove the security freeze, include the specific period of time you want the credit report available or the name of the entity you want to have access to your credit report.

In the case of a request by phone or secure electronic means, the security freeze will be lifted within one (1) hour after receiving the request for removal; or in the case of a request that is by mail, the credit reporting agencies have three (3) business days after receiving your request to permanently or temporarily remove the security freeze.

Sincerely,

**Steve Whitney**  
Vice President/CFO

### Recommended Steps to help Protect your Information

1. **Website and Enrollment.** Go to <https://app.idx.us/account-creation/protect> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter.
2. **Activate the credit monitoring** provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.
3. **Telephone.** Contact IDX at 1-800-939-4170 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.
4. **Review your credit reports.** We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help.

If you file a request for help or report suspicious activity, you will be contacted by a member of our ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

You should also know that you have the right to file a police report if you ever experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You can report suspected incidents of identity theft to local law enforcement or to the Attorney General.

5. **Place Fraud Alerts** with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three bureaus is as follows:

#### Credit Bureaus

Equifax Fraud Reporting  
1-866-349-5191  
P.O. Box 105069  
Atlanta, GA 30348-5069  
[www.equifax.com](http://www.equifax.com)

Experian Fraud Reporting  
1-888-397-3742  
P.O. Box 9554  
Allen, TX 75013  
[www.experian.com](http://www.experian.com)

TransUnion Fraud Reporting  
1-800-680-7289  
P.O. Box 2000  
Chester, PA 19022-2000  
[www.transunion.com](http://www.transunion.com)

It is necessary to contact only ONE of these bureaus and use only ONE of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well. You will receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review. An initial fraud alert will last for one year.

**Please Note: No one is allowed to place a fraud alert on your credit report except you.**

6. **Security Freeze.** By placing a security freeze, someone who fraudulently acquires your personal identifying information will not be able to use that information to open new accounts or borrow money in your name. You will need to contact the three national credit reporting bureaus listed above to place the freeze. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. There is no cost to freeze or unfreeze your credit files.
7. **You can obtain additional information** about the steps you can take to avoid identity theft from the following agencies. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them.
