Dear <<FirstName>>,

We are writing to inform you of a data security incident involving one of our vendors, Blackbaud, Inc., ("Blackbaud") and constituent information from our databases. Blackbaud's cloud-computing services are used by Oldfields and many other schools and charitable organizations to manage, organize, and store information related to members of their community. Oldfields School takes the security of your personal information very seriously, and we sincerely apologize for any inconvenience this incident may cause. This letter contains information about the incident and steps you can take to protect your information.

Oldfields has secured the services of IDX to provide identity-monitoring services at no cost to you, for twenty-four months. While we do not have any evidence of the misuse of your information, we are nonetheless notifying you out of an abundance of caution. Information about the services being provided by IDX is included in this letter.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must make a direct request by telephone, secure electronic means (website), or written request to each of the three major consumer reporting agencies: Equifax; Experian; and TransUnion at the addresses and/or numbers below:

Equifax Security Freeze

P.O. Box 105788
Atlanta, GA 30348
my.equifax.com/consumer-registration
(800) 349-9960

Experian Security Freeze

P.O. Box 9554
Allen, TX 75013
experian.com/freeze
(888) 397-3742

TransUnion Security Freeze

Fraud Victim Assistance Dept.
P.O. Box 2000
Chester, PA 19022-2000
transunion.com/credit-freeze
(888) 909-8872

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number;
3. Date of birth;

4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving a telephone or secure electronic request, or three (3) business days after receiving your written request, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze.

To permanently remove the security freeze, or to temporarily lift the security freeze for a specified period of time or to provide a specified entity access to your credit report, you must make a request either by phone, through secure electronic means (website), or send a written request to the credit reporting agencies by mail. Requests must include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. To temporarily remove the security freeze, include the specific period of time you want the credit report available or the name of the entity you want to have access to your credit report.

In the case of a request by phone or secure electronic means, the security freeze will be lifted within one (1) hour after receiving the request for removal; or in the case of a request that is by mail, the credit reporting agencies have three (3) business days after receiving your request to permanently or temporarily remove the security freeze.

Oldfields School values the privacy of our community and the protection of your information is a top priority. We apologize for any concern the Blackbaud data breach may cause you. If you have questions, please do not hesitate to call (800) 939-4170, Monday – Friday, 9 am to 9 pm, EST.

Sincerely,

Bryan Engle
Director of Finance and Business Operations

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with Equifax ([https://assets.equifax.com/assets/personal/Fraud Alert Request Form.pdf](https://assets.equifax.com/assets/personal/Fraud%20Alert%20Request%20Form.pdf)); TransUnion (<https://www.transunion.com/fraud-alerts>); or Experian (<https://www.experian.com/fraud/center.html>). A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:
