Re: Notice Regarding Security Matter

Dear Sample A. Sample:

On February 10, 2021, Arbella Insurance Group ("Arbella") identified a security matter that may have involved some of your personal information. Unfortunately, Massachusetts law prohibits us from providing you with information in this letter about what happened. However, please be assured that upon identifying the matter, we took immediate steps to address and contain the matter, and an investigation supported by forensics experts was commenced to determine what happened. We also reported this matter to law enforcement.

What information was involved:

While we cannot say with certainty whether your personal information was accessed or acquired without authorization, out of an abundance of caution, we are notifying you of this incident and offering you credit monitoring at no cost to you for a period of twenty-four (24) months as outlined in this letter. The personal information involved in this incident may have included your name and [affected information].

What we are doing:

In addition to providing you with this notice, we are offering you access to Experian IdentityWorksSM for twenty-four (24) months at no cost to you. Additional details regarding Experian IdentityWorksSM is available in the attachment. There are two main components to this service:

- (1) Identity Restoration

The Identity Restoration portion of coverage is already activated and available to you for a period of twenty-four (24) months from the date of this letter and so it does not require any action on your part at this time. The Terms and Conditions for this offer are located at www.ExperianIDWorks.com/restoration.

How does it work? If you believe at any time during the next 24 months that there was fraudulent use of your information as a result of this incident and would like to discuss how you may be able to resolve those issues, please reach out to the Experian customer care team following the instructions below. If, after discussing your situation with Experian, it is determined that identity restoration support is needed, then an Experian Identity Restoration agent is available to work with you to investigate and resolve each incident of fraud that occurred from the date of the incident (including, as appropriate, helping you with contacting credit grantors to dispute charges and close accounts; assisting you in placing a freeze on your credit file with the three major credit bureaus; and assisting you with contacting government agencies to help restore your identity to its proper condition).

2. MORE INFORMATION ABOUT IDENTITY PROTECTION

INFORMATION ON OBTAINING A FREE CREDIT REPORT

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit www.annualcreditreport.com or call toll-free (877) 726-1014.

INFORMATION ON IMPLEMENTING A FRAUD ALERT OR SECURITY FREEZE

You can contact the three major credit bureaus at the addresses below to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might protect against someone else obtaining credit in your name.

A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services. A credit reporting agency may not charge you to place, temporarily lift, or permanently remove a security freeze.

To place a fraud alert or security freeze on your credit report, you must contact the three credit bureaus below:

Equifax	Experian	TransUnion
Consumer Fraud Division	Credit Fraud Center	TransUnion LLC
P.O. Box 740256	P.O. Box 9554	P.O. Box 2000
Atlanta, GA 30374	Allen, TX 75013	Chester, PA 19022-2000

www.equifax.com	www.experian.com	www.transunion.com

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over those prior five years;
5. Proof of current address such as a current utility bill or telephone bill; and
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.).

You may also contact the U.S. Federal Trade Commission ("FTC") for further information on fraud alerts, security freezes, and how to protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024; telephone (877) 382-4357; or www.consumer.gov/idtheft.

ADDITIONAL RESOURCES

Your state attorney general may also have advice on preventing identity theft, and you should report instances of known or suspected identity theft to law enforcement, your state attorney general, or the FTC.

Massachusetts Residents: Under Massachusetts law, you have the right to obtain any police report filed in connection to the incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.
