Dear <<FirstName>> <<MiddleName>> <<LastName>> <<NameSuffix>>,

On February 23, 2021, Catholic Health Association ("CHA") learned that its website was the target of an external cyber incident whereby an unauthorized third party attempted to embed malicious code into our website and potentially forward information to a website not operated by CHA. Upon identifying the incident, we promptly blocked the unauthorized re-routing and experts were retained to investigate the incident. The investigation determined that this activity occurred between March 10, 2020 and March 29, 2020. We wanted to make you aware that some of your personal information may have been potentially at risk due to this incident. Our review of the incident revealed that the information potentially involved included your first and last name, address, and the credit card information you entered

We have no evidence that the unauthorized third party has inappropriately used your personal information. However, as a courtesy and to help give you peace of mind, we are offering you two (2) years of free credit monitoring and \$1 million in identity theft insurance through Experian. **You must activate the Experian product by the activation date for it to be effective.** We have also included some additional steps that you can take to protect yourself, as you deem appropriate.

We regret that this happened and want to assure you that we take information safety and security very seriously. We invest substantial resources into protecting your privacy and alerting you of potential security risks. We are continuing to take steps to enhance our security measures in order to prevent something like this from happening in the future.

If you have additional questions about this incident, please call toll-free 1-800-230-7823, between 9:00 a.m. and 6:30 p.m. ET, Monday through Friday (excluding major U.S. holidays). We apologize for any concern this incident may have caused you.

Sincerely,

Catholic Health Association

ADDITIONAL STEPS YOU CAN TAKE TO PROTECT YOURSELF

Below are additional actions you may take, if you feel it is necessary.

- **FREEZE YOUR CREDIT FILE.** You have a right to place a 'security freeze' on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Note that a security freeze generally does not apply to existing account relationships and when a copy of your report is requested by your existing creditor or its agents or affiliates for certain types of account review, collection, fraud control or similar activities. There is no charge to place or lift a security freeze.

To place a security freeze on your credit report, contact each of the three major consumer reporting agencies using the contact information listed below:

3 MAJOR CREDIT BUREAUS / CONSUMER REPORTING AGENCIES

Equifax P.O. Box 105788 Atlanta, GA 30348 1-800-525-6285 www.equifax.com	Experian P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com	TransUnion P.O. Box 2000 Chester, PA 19022 1-800-680-7289 www.transunion.com

To request a security freeze, you will need to provide the following:

- Your full name (including middle initial as well as Jr., Sr., II, III, etc.), Social Security number, and date of birth;
- If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
- Proof of current address, such as a current utility bill or telephone bill;
- A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.); and
- If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

If you request a security freeze via toll-free telephone or other secure electronic means, the credit reporting agencies have one (1) business day after receiving the request to place the freeze. In the case of a request made by mail, the bureaus have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze. To lift the security freeze to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze, as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving a request to lift the security freeze for those identified entities or for the specified period of time. To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving the request to remove the freeze.

- **PLACE FRAUD ALERTS ON YOUR CREDIT FILE.** As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's

identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is an alert lasting 7 years. Contact the credit reporting agencies listed above to activate an alert.

- **REMAIN VIGILANT: REVIEW YOUR ACCOUNT STATEMENTS, & REPORT FRAUD.** Carefully review your credit reports, debit/credit card, insurance policy, bank account and other account statements. Activate alerts on your bank accounts to notify you of suspicious activity. Report suspicious or fraudulent charges to your insurance statements, credit report, credit card or bank accounts to your insurance company, bank/credit card vendor and law enforcement. (For Oregon & Iowa residents: Report any suspected identity theft to law enforcement, Federal Trade Commission, and your State Attorney General.)
- **ORDER YOUR FREE ANNUAL CREDIT REPORTS.** Visit www.annualcreditreport.com or call 877-322-8228 to obtain one free copy of your credit report annually. Periodically review a copy of your credit report for discrepancies and identify any accounts you did not open or inquiries you did not authorize. (For Colorado, Maine, Maryland, Massachusetts, New Jersey, Puerto Rico, and Vermont residents: You may obtain additional copies of your credit report, free of charge. You must contact each of the three credit reporting agencies directly to obtain such additional reports.)
- **FILE OR OBTAIN A POLICE REPORT.** You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report incidents of identity theft to local law enforcement or to the Attorney General.
- **OBTAIN INFORMATION ABOUT PREVENTING IDENTITY THEFT FROM FTC / STATE ATTORNEY GENERAL.** Go to <http://www.experian.com/credit-advice/topic-fraud-and-identity-theft.html>. The Federal Trade Commission also provides information at www.ftc.gov/idtheft. The FTC can be reached by phone: 1 - 877-438-4338; TTY: 1-866-653-4261 or by writing: 600 Pennsylvania Ave., NW, Washington, D.C. 20580. Your State Attorney General also may provide information.
- **FAIR CREDIT REPORTING ACT:** You also have rights under the federal Fair Credit Reporting Act (FCRA), which promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. The FTC has published a list of the primary rights created by the FCRA (<https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf>), and that article refers individuals seeking more information to visit www.ftc.gov/credit. The FTC's list includes the following FCRA rights: (1) To receive a copy of your credit report, which must contain all the information in your file at the time of your request; (2) To receive a free copy of your credit report, at your request, once every 12 months from each of the nationwide credit reporting companies – Equifax, Experian, and TransUnion; (3) To receive a free credit report if a company takes adverse action against you (e.g. denying your application for credit, insurance, or employment), and you ask for your report within 60 days of receiving notice of the action. The notice will give you the name, address, and phone number of the credit reporting company. You are also entitled to one free report a year if you are unemployed and plan to look for a job within 60 days; if you are on welfare; or if your report is inaccurate because of fraud, including identity theft; (4) To ask for a credit score; (5) To dispute incomplete or inaccurate information; (6) To obtain corrections to your report or delete inaccurate, incomplete, or unverifiable information; (7) Consumer reporting agencies may not report outdated negative information; (8) To restrict access to your file and to require consent from you for reports to be provided to employer; (9) To limit "prescreened" offers of credit and insurance you receive based on information in your credit report; and (10) To seek damages from violators. Please note that identity theft victims and active duty military personnel may have additional rights under the FCRA.
