NOTICE OF A DATA BREACH

April 13, 2021

Client Name
Address
City, State Zip

Dear Name:

What Happened?

I am writing to inform you of an incident involving your personal information. On March 11, 2021, we were notified that a scanner in our office was not configured correctly. This resulted in scanned documents being sent to a third-party email account instead of directly to an Ameriprise email account. While there was no intent for misuse, it is against Ameriprise Financial policy to use a third-party email account for client information. There is no indication that the information was accessed by anyone other than the advisors and staff members and the files have been deleted from the email account. Upon discovery, the scanner configuration was corrected to use an Ameriprise email account. Due to the sensitive nature of the information, I wanted to notify you of this incident.

What Information Was Involved?

The files could have contained your name, address, date of birth and social security number.

What We Are Doing.

As a precaution, Ameriprise Financial is providing you an opportunity to enroll in an independently operated credit monitoring program for two years at no expense to you. This program is administered by Equifax, one of the three national credit reporting agencies. Equifax Credit Watch will provide you with an "early warning system" which alerts you to any changes to your credit file. The following page of this letter includes the features of the Equifax Service and the promotional code you need to use to enroll.

What You Can Do.

None of us like to hear about incidents involving our personal information. And in situations like this, taking a few prudent steps can further protect you against the potential misuse of your information. That's why we recommend the following actions:

- Register a Fraud Alert or Security Freeze with the three major credit bureaus. Contact information on the Additional Resources page.
- Thoroughly review your account statements and transaction confirmations.
- Closely monitor all of your personal accounts (e.g. checking and savings, credit cards, etc.) to make sure there is no unauthorized activity.
- Review any solicitations you receive in the near future.
- Be vigilant if you receive a call from someone who claims to represent Ameriprise Financial. If you have any doubts about the caller, hang up and call your advisor to verify the validity of the call.
- If you notice any unusual activity, contact your advisor or Ameriprise Financial Customer Service at (800) 862-7919 immediately. We are here to help.

For More Information.

Please do not hesitate to contact me at (850) 438.9118. Please accept my sincere apology regarding this situation and any inconvenience it may cause you.

Sincerely,

A handwritten signature in cursive script that reads "Megan Merriam".

SECURITY FREEZE

Many state laws also allow consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a freeze, write, go online or call the three credit bureaus below. Documents will be requested to verify your identity and address, possibly including but not limited to: copies of your Social Security card, paystub, state driver's license, or utility bill.
