I am writing to inform you of a cyber incident experienced by Saratoga Casino Hotel related to an Online Travel Agent (OTA). Saratoga Casino Hotel took immediate action to respond to the incident and conduct a thorough investigation. Importantly, no CVV or CVC information was impacted.

Out of an abundance of caution, we have arranged for you to activate, at no cost to you, an online credit monitoring service for 24 months provided by TransUnion. Due to privacy laws, we cannot activate these services for you directly. Additional information regarding how to activate the complimentary credit monitoring service is enclosed. We have also provided additional information about steps you can take to protect yourself against fraud and identity theft. We recommend that you remain vigilant in regularly reviewing and monitoring all of your account statements and credit history to guard against any unauthorized transactions or activity. If you discover any suspicious or unusual activity on your accounts, please promptly contact your financial institution or company.

Should you have additional questions or concerns regarding this matter, please do not hesitate to contact us at 855-654-0910, Monday through Friday, 9:00 a.m. to 9:00 p.m. Eastern Time, except holidays.

## **ADDITIONAL ACTIONS TO HELP PROTECT YOUR INFORMATION**

### **Monitor Your Accounts**

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

<sup>1</sup>(Policy limitations and exclusions may apply.)

<sup>2</sup>Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

**Additional Information**

You can further educate yourself regarding identity theft, fraud alerts, credit freezes, and the steps you can take to protect your personal information by contacting the credit reporting bureaus, the Federal Trade Commission (FTC), or your state Attorney General. The FTC may be reached at 600 Pennsylvania Ave. NW, Washington, D.C. 20580; [www.identitytheft.gov](http://www.identitytheft.gov); 1-877-ID-THEFT (1-877-438-4338); and TTY: 1-866-653-4261.

You have the right to file/obtain a police report. Instances of known or suspected identity theft should also be reported to law enforcement, your state Attorney General, and the FTC.
