Box 105281, Atlanta, GA, 30348-5281.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well):

- (1) full name, with middle initial and any suffixes;
