We write to notify you that an unauthorized disclosure of your protected personal information occurred on or around December 15, 2023. We regret any concerns this may have caused.

Under Massachusetts law, you have the right to obtain a copy of any police report filed regarding this event. Please note that because the release of your information was not a result of criminal activity, we have not filed a police report. If you are the victim of identity theft, you have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from your credit report without your authorization. Please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for **new** loans; credit cards; mortgages; employment; housing; or other services.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies: Equifax (www.equifax.com); Experian (www.experian.com); and TransUnion (www.transunion.com) by phone, by online form, or by regular, certified or overnight mail at the addresses below:
