## NOTICE OF DATA BREACH

Dear <<First\_Name>> <<Last\_Name>>,

The protection of your personal information is a priority at FirstBank Puerto Rico (“FirstBank” or “we”). We are writing to inform you of a security incident experienced by one of our service providers that potentially involved your personal information. We take this matter very seriously and understand the personal nature of the information at issue, which is why we are offering you the opportunity to enroll in complimentary identity protection services as described below. At this time, there is no evidence of any attempt to misuse any of your personal information.

### What Happened?

On January 4, 2024, we determined that your personal information was potentially exposed to a third party following a security incident experienced by one of our service providers’ use of MOVEit Transfer by Progress Software, the commonly used secure Managed File Transfer (MFT) software supporting file transfer activities by thousands of organizations around the world. The MOVEit Transfer software was used to support our institution’s services.

Immediately upon discovery of the incident, our service provider launched a comprehensive investigation. It is important to clarify that this incident did not impact any of FirstBank’s systems. We take the protection of your information very seriously, and although we have no evidence of identity theft, fraud or misuse of your information as a result of this incident, this letter provides information about the incident, our response, and preventive steps you may wish to take to protect against possible misuse of your information.

### What Information Was Involved?

From a careful review of the contents of the files, we have determined that one or more of the files may have contained information including <<b2b\_text\_3 (your name, impacted data elements)>>.

### What We Are Doing.

We wanted to notify you of this incident and to assure you that we take it seriously. Upon learning of this incident, we took immediate steps to launch a comprehensive investigation, identify individuals affected and notify regulatory bodies as required. To help prevent something like this happening again, our service provider has remediated all technical vulnerabilities and patched systems in accordance with the MOVEit software provider’s guidelines. Our service provider also mobilized a technical response team to examine the relevant MOVEit Transfer systems and ensure that there were no further vulnerabilities.

You have been provided with access to the following services from Kroll:

#### **Single Bureau Credit Monitoring**

You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

#### **Fraud Consultation**

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to help protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

#### **Identity Theft Restoration**

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

### **ADDITIONAL STEPS YOU CAN TAKE**

To help protect against possible fraud, identity theft or other financial loss, we encourage you to remain vigilant, to review your account statements and to monitor your credit reports. Provided below are the names and contact information for the three major U.S. credit bureaus and additional information about steps you can take to obtain a free credit report, and place a fraud alert or security freeze on your credit report. If you believe you are a victim of fraud or identity theft you should consider contacting your local law enforcement agency, your state's Attorney General, or the Federal Trade Commission.

#### **INFORMATION ON OBTAINING A FREE CREDIT REPORT**

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll-free (877) 322-8228.

#### **INFORMATION ON IMPLEMENTING A FRAUD ALERT, CREDIT FREEZE, OR CREDIT LOCK**

To place a fraud alert, credit freeze, or credit lock on your credit report, you must contact the three consumer reporting agencies below:

Equifax:  
Equifax Information Services LLC  
P.O. Box 105788  
Atlanta, GA 30348  
1-888-298-0045  
[www.equifax.com](http://www.equifax.com)

Experian:  
Credit Fraud Center  
P.O. Box 9554  
Allen, TX 75013  
1-888-397-3742  
[www.experian.com](http://www.experian.com)

TransUnion:  
Fraud Victim Assistance Department  
P.O. Box 2000  
Chester, PA 19022-2000  
1-800-680-7289  
[www.transunion.com](http://www.transunion.com)

**Fraud Alert:** Consider contacting the three major consumer reporting agencies at the addresses above to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might help protect against someone else obtaining credit in your name.

To place a fraud alert, contact any of the three major consumer reporting agencies listed above and request that a fraud alert be put on your file. The agency that you contacted must notify the other two agencies. A fraud alert is free and lasts 90 days, but can be renewed.

**Credit Freeze:** A credit freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report until the freeze is lifted. When a credit freeze is in place, no one—including you—can open a new account. As a result, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services.

Placing a credit freeze is free. To place a credit freeze, contact all three consumer reporting agencies listed above and provide the personal information required by each agency to place a freeze, which may include:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.); and
7. If you are a victim of identity theft, a copy of either a police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

When you place a credit freeze, you will be provided a PIN to lift temporarily or remove the credit freeze. A credit freeze generally lasts until you lift or remove it, although in some jurisdictions it will expire after seven years.

**Credit Lock:** Like a credit freeze, a credit lock restricts access to your credit report and prevents anyone from opening an account until unlocked. Unlike credit freezes, your credit can typically be unlocked online without delay. To lock your credit, contact all three consumer reporting agencies listed above and complete a credit lock agreement. The cost of a credit lock varies by agency, which typically charges monthly fees.

You may also contact the U.S. Federal Trade Commission ("FTC") for further information on fraud alerts, credit freezes, credit locks, and how to help protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024; telephone 1-877-382-4357; or [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft).
