Dear Attorney General & Director:

Pursuant to M.G.L. c. 93H, we are writing to notify you of a breach of security/an unauthorized access or use of personal information involving Massachusetts residents.

NATURE OF THE SECURITY BREACH OR UNAUTHORIZED USE OR ACCESS

MasterCard Notification Received: 03/12/2024

Event Description: Suspected data compromise of a merchant's payment card environment

Source of Compromise: System Breach

Affected Time Period: 05/31/2023 through 01/08/2024

Electronic Data possibly compromised: Account Number, Expiration Date, and CVC2

NUMBER OF MASSACHUSETTS RESIDENTS AFFECTED

Total: 1

All affected residents were promptly notified via a written notice that was delivered by the US Postal Service.

STEPS YOU HAVE TAKEN OR PLAN TO TAKE RELATING TO THE INCIDENT

All impacted cards have been flagged as "compromised" which escalates the review of transactions by our fraud detection system. Transactions associated with these flagged cards have a greater chance of being sent through our online real-time monitoring to risk-score the transactions before they are approved.

The notifications sent to all affected residents recommends that they contact us to reissue them a new card. We will only close and reissue a card without hearing from them if the suspected card has experienced fraud or attempted fraud.

At this time, we do not have any evidence that the personal information was used for fraudulent purposes and have not reported the incident to law enforcement.
