NOTICE OF A DATA BREACH

<<City>>, <<ST>> <<ZIP>>

Dear <<First Name>> <<Last Name>>:

What Happened?

I am writing to inform you of an incident involving your personal information. On May 3, 2021, we were notified that the fax service in our office was not configured correctly. This resulted in faxed documents being sent to a third-party email account instead of directly to an Ameriprise email account. While there was no intent for misuse, it is against Ameriprise Financial policy to use a third-party email account for client information. There is no indication that the information was accessed by anyone other than the advisors and staff members and the files have been deleted from the email account. Upon discovery, the fax configuration was corrected to use an Ameriprise email account. Due to the sensitive nature of the information, I wanted to notify you of this incident.

What Information Was Involved?

The files contained your name, address, date of birth and social security number.

What We Are Doing.

As a precaution, Ameriprise Financial is providing you an opportunity to enroll in an independently operated credit monitoring program for two years at no expense to you. This program is administered by Equifax, one of the three national credit reporting agencies. Equifax Complete™ Premier will provide you with an "early warning system" which alerts you to any changes to your credit file. The following page of this letter includes the features of the Equifax Service and the promotional code you need to use to enroll.

What You Can Do.

None of us like to hear about incidents involving our personal information. And in situations like this, taking a few prudent steps can further protect you against the potential misuse of your information. That's why we recommend the following actions:

- Register a Fraud Alert or Security Freeze with the three major credit bureaus. Contact information on the Additional Resources page.
- Thoroughly review your account statements and transaction confirmations.
- Closely monitor all of your personal accounts (e.g. checking and savings, credit cards, etc.) to make sure there is no unauthorized activity.
- Review any solicitations you receive in the near future.
- Be vigilant if you receive a call from someone who claims to represent Ameriprise Financial. If you have any doubts about the caller, hang up and call your advisor to verify the validity of the call.
- If you notice any unusual activity, contact your advisor or Ameriprise Financial Customer Service at (800) 862-7919 immediately. We are here to help.

For More Information.

Please contact Mindy Kilby for more information at (585) 344.1262. Please accept my sincere apology regarding this situation and any inconvenience it may cause you.

Sincerely,

Mark E. Woodward, CFP®, CLTC®, APMA®

¹The credit scores provided are based on the VantageScore® 3.0 model. For three-bureau VantageScore credit scores, data from Equifax®, Experian®, and TransUnion® are used respectively. Any one-bureau VantageScore uses Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.

²Credit monitoring from Experian and TransUnion will take several days to begin. ³WebScan searches for your Social Security Number, up to 5 passport numbers, up to 6 bank account numbers, up to 6 credit/debit card numbers, up to 6 email addresses, and up to 10 medical ID numbers. WebScan searches thousands of Internet sites where consumers' personal information is suspected of being bought and sold, and regularly adds new sites to the list of those it searches. However, the Internet addresses of these suspected Internet trading sites are not published and frequently change, so there is no guarantee that we are able to locate and search every possible Internet site where consumers' personal information is at risk of being traded. ⁴The

automatic Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC. ⁵Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to

you. To opt out of such pre-approved offers, visit www.optoutprescreen.co ⁶The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

SECURITY FREEZE

Many state laws also allow consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a freeze, write, go online or call the three credit bureaus below. Documents will be requested to verify your identity and address, possibly including but not limited to: copies of your Social Security card, paystub, state driver's license, or utility bill.
