Re: Notice of Data Event

Dear <<Name 1>>:

Leaders Life Insurance Co. ("Leaders Life") writes to make you aware of an incident that may affect the security of some of your information. This letter provides resources available to you to help protect your information from possible misuse, should you feel it is appropriate to do so.

Leaders Life takes the confidentiality, privacy, and security of information in our care very seriously. We have taken and continue to take steps to prevent this type of incident from happening in the future.

As an added precaution, we you are also offering you access to twenty four (24) months of online **credit monitoring service** (*myTrueIdentity*) provided by TransUnion Interactive, a subsidiary of TransUnion,[®] one of the three nationwide credit reporting companies, at no cost to you.

How to Enroll: You can sign up online or via U.S. mail delivery.

- To enroll in this service, go to the *myTrueIdentity* website at www.MyTrueIdentity.com and, in the space referenced as "Enter Activation Code," enter the 12-letter Activation Code <<Activation Code>> and follow the three steps to receive your credit monitoring service online within minutes.
- If you do not have access to the Internet and wish to enroll in a similar offline, paper-based, three-bureau credit monitoring service, via U.S. mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at **1-855-288-5422**. When prompted, enter the six-digit telephone passcode <<Pass Code>> and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

You can sign up for the online or offline credit monitoring service anytime between now and <<Enrollment Deadline>>. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

ADDITIONAL DETAILS REGARDING YOUR COMPLIMENTARY CREDIT MONITORING SERVICE:

- Once you are enrolled, you will be able to obtain one year of unlimited access to your TransUnion credit report and credit score.
- The daily three-bureau credit monitoring service will notify you if there are any critical changes to your credit

files at TransUnion,[®] Experian,[®] and Equifax,[®] including fraud alerts, new inquiries, new accounts, new public records, late payments, changes of address, and more.

- The service also includes access to an identity restoration program that provides assistance in the event that your identity is compromised and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

We encourage you to remain vigilant against incidents of identity theft, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, military identification, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
