Re: Credit Monitoring Services at No Cost for 18 Months

Dear :

We last wrote to you on July 2, 2021 regarding the security incident involving the unauthorized disclosure of certain non-public personal information, including social security numbers, earlier this month.

We are writing again today to notify you that we are pleased to offer to you credit monitoring services through third-party vendor, IdentityForce® at no cost for 18 months.

According to CNBC, IdentityForce® offers the most extensive security features that monitor your information on a variety of sites and services. Consumers may receive alerts for potential fraud on your bank, credit card, and investment accounts, as well as the use of your medical ID, social security number, and address.

To enroll today, please contact me directly by phone at (617) 928-2321, or by email at mdesmeules@watertownsavings.com, anytime between 8 AM – 5 PM EST.

Thank you again for your understanding and continued attention.

Sincerely,

Matthew DesMeules
