- 1. Under Massachusetts general law, you have the right to obtain any police report filed concerning this accidental disclosure of your account number. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Similarly, the Massachusetts Public Records Law, generally found in Chapter 66, Section 10 of the Massachusetts General Laws, applies to records made or received by a Massachusetts agency or municipality. You may file a public records request to obtain a copy of the notice provided by the Credit Union to the attorney general about this incident. For additional details, please visit www.sec.state.ma.us/pre/prereq/reqidx.htm.

- 2. You may also place a security freeze on your credit reports, free of charge. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. Please note that a security freeze may interfere with, delay or prevent the timely approval of any requests you make for new loans, employment, housing or other services.

Under federal law, you cannot be charged to place, lift, or remove a security freeze. You must separately place a security freeze on your credit file with each of the three major consumer-reporting agencies shown below.

To place a security freeze on your credit report, you may send a written request by regular, certified or overnight mail to the addresses below and you must send in your request with the information below. You may also place a security freeze through each of the consumer reporting agencies' websites or over the phone:

<p>Equifax P.O. Box 105788 Atlanta, GA 30348 1-800-349-9960 www.equifax.com/personal/credit-report-services/</p>	<p>Experian P.O. ---	--	---

- a) Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
- b) Social Security Number;
- c) Date of birth;
- d) If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
- e) Proof of current address, such as a current utility bill, telephone bill, rental agreement, or deed;
- f) A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
- g) Social Security Card, pay stub, or W2;
- h) If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit report, based upon the method of your request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password (or both) that can be used by you to authorize the removal or lifting of the security freeze.

It is important to maintain this PIN/password in a secure place, as you will need it to lift or remove the security freeze. To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must make a request to each of the credit reporting agencies by mail, through their website, or by phone (using the contact information above). You must provide proper identification (including name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze, as well as the identities of those entities or individuals you would like to receive your credit report. You may also temporarily lift a security freeze for a specified period of time rather than for a specific entity or individual, using the same contact information above. The credit bureaus have between one (1) hour (for requests made online) and three (3) business days (for requests made by mail) after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must make a request to each of the credit reporting agencies by mail, through their website, or by phone (using the contact information above). You must provide proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have between one (1) hour (for requests made online) and three (3) business days (for requests made by mail) after receiving your request to remove the security freeze.

3. You may also obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting www.annualcreditreport.com, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at www.annualcreditreport.com/cra/requestformfinal.pdf.
