Dear <<Name 1>> <<Name 2>>

The Life is Good Company ("LIG") is writing to inform you of a recent data security event that involved some of your information. We are providing you with information about the event, our response, and steps you may take to better protect against the possibility of identity theft and fraud, should you feel it is necessary to do so.

Information privacy and security are among LIG's highest priorities. Upon learning of this incident, we immediately launched an investigation to determine what happened and what information may have been affected. We are also reviewing our existing policies and procedures and are implementing additional safeguards to further enhance our security posture.

Although we are unaware of any actual misuse of your personal information as a result of this event, we are offering you access to twenty-four (24) months of complimentary credit monitoring, and identity theft restoration services through TransUnion in an abundance of caution. In addition, we have provided notice to appropriate regulatory authorities.

As a safeguard, we have arranged for you to enroll, at no cost to you, in an online credit monitoring service (*myTrueIdentity*) for two years provided by TransUnion Interactive, a subsidiary of TransUnion®, one of the three nationwide credit reporting companies.

To enroll in this service, go directly to the *myTrueIdentity* website at www.mytrueidentity.com and in the space referenced as "Enter Activation Code", enter the following 12-letter Activation Code <<Insert Unique 12-letter Activation Code>> and follow the three steps to receive your credit monitoring service online within minutes.

You can sign up for the online credit monitoring service anytime between now and **October 31, 2021**. Due to privacy laws, we cannot register you directly. Please note that credit monitoring service might not be available for individuals who do not have a credit file with TransUnion, or an address in the United States (or its territories) and a valid Social Security number, or are under the age of 18. Enrolling in this service will not affect your credit score.

Once you are enrolled, you will be able to obtain two years of unlimited access to your TransUnion credit report and credit score. The daily credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The service also includes access to an identity restoration program that provides assistance in the event your identity is compromised to help you restore your identity

and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

If you believe you may be a victim of identity theft, please call the toll-free TransUnion Fraud Response Services hotline at **1-855-288-5422**. When prompted, enter the following 6-digit telephone pass code **697871** to speak to a TransUnion representative about your identity theft issue.

We encourage you to remain vigilant against incidents of identity theft, to review your account statements, and to monitor your credit reports for suspicious activity and to detect errors. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft;

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit file report, based upon the method of the request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with the process by which you may remove the security freeze, including an authentication mechanism. Upon receiving a direct request from you to remove a security freeze and upon receiving proper identification from you, the consumer reporting agency shall remove a security freeze within one (1) hour after receiving the request by telephone for removal or within three (3) business days after receiving the request by mail for removal.

As an alternative to a security freeze, you have the right to place an initial or extended “fraud alert” on your file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
