## **NOTICE OF SECURITY INCIDENT**

Dear <<Name 1>>:

Bell and Howell, LLC ("Bell and Howell") writes to inform you of an incident that may affect the security of your personal information. Due to requirements imposed by Massachusetts law, we are unable to provide further detail about the nature of the incident, but you may obtain additional information by calling the dedicated assistance line listed below.

We take the confidentiality, privacy, and security of information in our possession very seriously. As part of our ongoing commitment to the privacy of personal information in our care, Bell and Howell has taken and is taking steps to review its policies and procedures. We also continue to evaluate ways to improve our existing protections to secure the information within our network.

Bell and Howell secured the services of TransUnion to provide you with credit monitoring and identity restoration services for twenty-four (24) months, at no cost to you.

As a safeguard, we have arranged for you to enroll, at no cost to you, in an online credit monitoring service (*myTrueIdentity*) for two years provided by TransUnion Interactive, a subsidiary of TransUnion,<sup>®</sup> one of the three nationwide credit reporting companies.

### **How to Enroll: You can sign up online or via U.S. mail delivery**

- To enroll in this service, go to the *myTrueIdentity* website at [www.MyTrueIdentity.com](http://www.MyTrueIdentity.com) and, in the space referenced as "Enter Activation Code," enter the 12-letter Activation Code <<Insert Unique 12-letter Activation Code>> and follow the three steps to receive your credit monitoring service online within minutes.
- If you do not have access to the Internet and wish to enroll in a similar offline, paper-based credit monitoring service, via U.S. mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at 1-855-288-5422. When prompted, enter the six-digit telephone passcode <<Insert static six-digit Telephone Pass Code>> and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

You can sign up for the online or offline credit monitoring service anytime between now and <<Enrollment Deadline>>. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

## Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer's express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
