████████████████████  
██████████

Dear ██████████:

We at AMI Investment Management, Inc. ("AMI") take information privacy seriously. As part of our commitment to our clients, we are notifying you of a data security event at AMI which could impact your personal information that occurred between the dates of August 12 and August 22, 2021. Please read this letter carefully.

As a safeguard, we arranged for you to enroll, at no cost to you, in an online credit monitoring service (myTrueIdentity) for twenty-four (24) months provided by TransUnion Interactive, a subsidiary of TransUnion®, one of the three nationwide credit reporting companies.

To enroll in this service, go directly to the myTrueIdentity website at [www.mytrueidentity.com](http://www.mytrueidentity.com) and in the space referenced as "Enter Activation Code", enter the following unique 12-letter Activation Code: ██████████ and follow the three steps to receive your credit monitoring service online within minutes.

If you do not have access to the Internet and wish to enroll in a similar offline, paper based, credit monitoring service, via U.S. Mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at **1-855-288-5422**. When prompted, enter the following 6-digit telephone pass code: ██████████ and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

Once you are enrolled, you will be able to obtain two years of unlimited access to your TransUnion credit report and credit score. The daily credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The subscription also includes access to identity restoration services that provides assistance in the event your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

You can sign up for the myTrueIdentity online or offline Credit Monitoring service anytime between now and **December 31, 2021**. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion, or an address in the United States (or its territories) and a valid Social Security number, or are under the age of 18. Enrolling in this service will not affect your credit score.

If you have questions about your online credit monitoring benefits, need help with your enrollment, or need help accessing your credit report, or passing identity verification, please contact the myTrueIdentity Customer Service Team toll-free at: 1-844-787-4607, Monday-Friday: 8am-9pm, Saturday-Sunday: 8am-5pm Eastern time.

Charles Schwab also encourages AMI clients to take advantage of its enhanced security features which include:

- A Schwab-provided token for two-factor online account access verification.
- Verbal account password option; and
- Voice Identification for telephone interactions with Schwab.

Under Massachusetts law, you have right to obtain any police report filed in regard to this incident. If you are a victim of identity theft, you also have the right to file a police report and obtain a copy of it.

You may also place a security freeze on your credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. Under federal law, you cannot be charged to place, lift, or remove a security freeze.

You must place your request for a freeze with each of the three major consumer reporting agencies: Equifax ([www.equifax.com](http://www.equifax.com)); Experian ([www.experian.com](http://www.experian.com)); and TransUnion ([www.transunion.com](http://www.transunion.com)). To place a security freeze on your credit report, you may send a written request by regular, certified or overnight mail at the addresses below. You may also place a security freeze through each of the consumer reporting agencies' websites or over the phone, using the contact information below:

Equifax Security Freeze

P.O. Box 105788

Atlanta, GA 30348

1-800-685-1111

<https://www.equifax.com/personal/credit-report-services/>

Experian Security Freeze

P.O. Box 9554

Allen, TX 75013

1-888-397-3742

<https://www.experian.com/freeze/center.html>

TransUnion Security Freeze

P.O. Box 160

Woodlyn, PA 19094

1-888-909-8872

<https://www.transunion.com/credit-freeze>

In order to request a security freeze, you will need to provide some or all of the following information to the credit reporting agency, depending on whether you do so online, by phone, or by mail:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill, telephone bill, rental agreement, or deed;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. Social Security Card, pay stub, or W2; and
8. If you are a victim of identity theft, a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit report, based upon the method of your request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal

identification number (PIN) or password (or both) that can be used by you to authorize the removal or lifting of the security freeze. It is important to maintain this PIN/password in a secure place, as you will need it to lift or remove the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must make a request to each of the credit reporting agencies by mail, through their website, or by phone (using the contact information above). You must provide proper identification (including name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze, as well as the identities of those entities or individuals you would like to receive your credit report. You may also temporarily lift a security freeze for a specified period of time rather than for a specific entity or individual, using the same contact information above. The credit bureaus have between one (1) hour (for requests made online) and three (3) business days (for request made by mail) after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must make a request to each of the credit reporting agencies by mail, through their website, or by phone (using the contact information above). You must provide proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have between one (1) hour (for requests made online) and three (3) business days (for requests made by mail) after receiving your request to remove the security freeze.

For additional information on steps you may take to help protect your information from potential misuse, you may contact the Federal Trade Commission, 600 Pennsylvania Avenue, NW Washington, DC 20580, <https://www.consumer.ftc.gov>, 1-877-IDTHEFT (438-4338) or the Massachusetts Office of Consumer Affairs & Business Regulation at [www.mass.gov/ocabr](http://www.mass.gov/ocabr) or (888) 283-3757.

If you have questions or concerns, you may contact us for further information and assistance. We are very sorry for any concern or inconvenience this incident has caused or may cause you, and we encourage you to take advantage of the resources that are included in this notice.

AMI remains committed to safeguarding the information in our care. Many organizations, large and small, are grappling with the effects of these cyber-attacks perpetrated by groups outside the U.S. Please be assured that we are continually evaluating and modifying our practices and those of third-party service providers to enhance the security of your information in this environment of elevated risks.

Sincerely,

*Michael D. Axel*
