Re: Notice of Security Incident

Dear <<First Name>> <<Last Name>>,

MainLine Securities LLC and/or one or more of its affiliated/related entities: MainLine Investment Partners, MainLine Private Wealth, Merion Realty Partners, CMS Companies, and Merion Residential (“MainLine”) is writing to inform you of an event that may impact the privacy and security of your information. We take this event and the security of your personal information very seriously, and this letter provides steps you may take to better protect against potential misuse of your information, should you feel it is necessary.

Upon learning of this event, MainLine immediately began an investigation. We are reviewing and enhancing our existing policies and procedures to reduce the likelihood of a similar future event. As an added precaution, we are offering complimentary access to credit monitoring and identity restoration services to potentially impacted individuals. IDX identity protection services includes 24 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed id theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised. Please note the deadline to enroll is December 31, 2021.

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
