IMPORTANT NOTICE ABOUT YOUR PERSONAL INFORMATION

Recently, on your request, the MutualOne Bank investigated six transactions that were charged to your account via your debit card (as detailed in our letter of September 30, 2021). You have confirmed that the transactions were illegitimate, and it does appear that the transactions were fraudulent as the card has not left your possession. We have credited your account as is detailed in the same letter and wish to inform you of what we are doing to protect you and what you can do to protect yourself.

Due to the fraudulent activity associated with this incident, in order to safeguard your data, a replacement debit card with a new card number has been made for you at the branch at no cost. You should have destroyed the old card upon receipt.

We recommend that you consider the following actions in order to further protect yourself:

1. You should be mindful for the next 12 to 24 months in reviewing your account statements and notify us of any suspicious activity.
2. You may contact the fraud departments of the three major credit reporting agencies to discuss your options. You should review your credit report and may obtain your report by contacting any of the credit reporting agencies listed below. You may also receive a free annual credit report at www.annualcreditreport.com. You have the right to place a free 90-day fraud alert on your credit file. A fraud alert lets creditors know to contact you before opening new accounts. It also may delay your ability to obtain credit. To place a fraud alert on your credit report contact the three credit reporting agencies below.
