#### **WHAT WE ARE DOING**

##### **Complimentary Credit Monitoring Service**

You are a valued customer and we apologize for this error. While the Bank has no evidence or belief that your information has been, or will be used for fraudulent purposes, and while we believe there is a low likelihood of fraud related to this incident, as a safeguard, we have arranged for you to enroll, at no cost to you, in an online three-bureau credit monitoring service (*myTrueIdentity*) for two years provided by TransUnion, one of the three nationwide credit reporting companies.

To enroll in this service, go to the *myTrueIdentity* website at [www.mytrueidentity.com](http://www.mytrueidentity.com) and in the space referenced as "Enter Activation Code", enter the following 12-letter Activation Code **XXXXXXXXXXXX** and follow the three steps to receive your credit monitoring service online within minutes.

If you do not have access to the Internet and wish to enroll in a similar offline, paper based, credit monitoring service, via U.S. Mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at **1-855-288-5422**. When prompted, enter the following 6-digit telephone pass code **697611** and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

You can sign up for the online or offline credit monitoring service anytime between now and **December 31, 2022**. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion, or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

Once you are enrolled, you will be able to obtain two years of unlimited access to your TransUnion credit report and credit score. The daily three-bureau credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, Experian, and Equifax, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The service also includes access to an identity restoration program that provides assistance in the event your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

#### **WHAT YOU CAN DO**

##### **Fraud Alert Information**

Whether or not you enroll in credit monitoring, we recommend that you consider placing a "Fraud Alert" on your credit file. Fraud Alert messages notify potential credit grantors to verify your identification before extending credit in your name in case someone is using your information without your consent. A Fraud Alert can make it more difficult for someone to get credit in your name; however, please be aware that it also may delay your ability to obtain credit. Call only one of the following three nationwide credit reporting companies to place your Fraud Alert: TransUnion, Equifax, or Experian. As soon as the credit reporting company confirms your Fraud Alert, they will also forward your alert

request to the other two nationwide credit reporting companies so you do not need to contact each of them separately. The contact information for the three nationwide credit reporting companies is:

Equifax  
PO Box 740256  
Atlanta, GA 30374  
[www.alerts.equifax.com](http://www.alerts.equifax.com)

TransUnion  
PO Box 2000  
Chester, PA 19016

Experian

Allen, TX 75013  
[www.experian.com/fraud](http://www.experian.com/fraud)

### **Free Credit Report Information**

Under federal law, you are also entitled to one free credit report once every 12 months from each of the above three major nationwide credit reporting companies. Call 1-877-322-8228 or make a request online at [www.annualcreditreport.com](http://www.annualcreditreport.com). Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Victim information sometimes is held for use or shared among a group of thieves at different times. Checking your credit reports periodically can help you spot problems and address them quickly. If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Get a copy of the report; many creditors want the information it contains to absolve you of the fraudulent debts. You also should file a complaint with the Federal Trade Commission (FTC) at [www.identitytheft.gov](http://www.identitytheft.gov) or at 1-877-ID-THEFT (1-877-438-4338). Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcers for their investigations. Also visit the FTC's website at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) to review their free identity theft resources such as their comprehensive step-by-step guide "Identity Theft – A Recovery Plan".

### **Security Freeze Information**

You can request a "Security Freeze" on your credit file by sending a request in writing, by mail, to each of the three nationwide credit reporting companies. When a Security Freeze is added to your credit report, all third parties, such as credit lenders or other companies, whose use is not exempt under law will not be able to access your credit report without your consent. The Security Freeze may delay, interfere with or prohibit the timely approval of any subsequent request or application you make that involves access to your credit report. This may include, but is not limited to, new loans, credit, mortgages, insurance, rental housing, employment, investments, licenses, cellular phone service, utility service, digital signature service, Internet credit card transactions and extension of credit at point of sale. Placing, temporarily lifting, or removing a Security Freeze with each of the nationwide consumer reporting companies is free, although placing a credit lock may have monthly fees. To place a Security Freeze on your credit files at all three nationwide credit reporting companies, write to the addresses below and include the following information:

TransUnion Security Freeze

Within 5 business days of receiving your request for a security freeze, the consumer credit reporting company will provide you with a personal identification number (PIN) or password to use if you choose to remove the freeze on your consumer credit report or to authorize the release of your consumer credit report to a specific party or for a specified period of time after the freeze is in place.

**Special note for minors affected by this incident:**

The same services referred to above may not be available to affected minors. As an alternative, parents/legal guardians can check to see if your child may be a victim of identity theft by using TransUnion's secure online form at [www.transunion.com/childidentitytheft](http://www.transunion.com/childidentitytheft) to submit your information so TransUnion can check their database for a credit file with your child's Social Security Number. After TransUnion's search is complete, they will respond to you at the email address you provide. If they locate a file in your child's name, they will ask you for additional information in order to proceed with steps to protect your child from any impact associated with this fraudulent activity.

**Special note to Massachusetts residents:**

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. Based on the nature of this incident, no police report has been filed. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

## WHAT WE ARE DOING

### **Complimentary Credit Monitoring Service**

You are a valued customer and we apologize for this error. While the Bank has no evidence or belief that your information has been, or will be used for fraudulent purposes, and while we believe there is a low likelihood of fraud related to this incident, as a safeguard, we have arranged for you to enroll, at no cost to you, in an online three-bureau credit monitoring service (*myTrueIdentity*) for two years provided by TransUnion, one of the three nationwide credit reporting companies.

To enroll in this service, go to the *myTrueIdentity* website at [www.mytrueidentity.com](http://www.mytrueidentity.com) and in the space referenced as "Enter Activation Code", enter the following 12-letter Activation Code **XXXXXXXXXXXX** and follow the three steps to receive your credit monitoring service online within minutes.

If you do not have access to the Internet and wish to enroll in a similar offline, paper based, credit monitoring service, via U.S. Mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at **1-855-288-5422**. When prompted, enter the following 6-digit telephone pass code **697611** and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

You can sign up for the online or offline credit monitoring service anytime between now and **December 31, 2022**. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion, or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

Once you are enrolled, you will be able to obtain two years of unlimited access to your TransUnion credit report and credit score. The daily three-bureau credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, Experian, and Equifax, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The service also includes access to an identity restoration program that provides assistance in the event your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

## WHAT YOU CAN DO

### **Fraud Alert Information**

Whether or not you enroll in credit monitoring, we recommend that you consider placing a "Fraud Alert" on your credit file. Fraud Alert messages notify potential credit grantors to verify your identification before extending credit in your name in case someone is using your information without your consent. A Fraud Alert can make it more difficult for someone to get credit in your name; however, please be aware that it also may delay your ability to obtain credit. Call only one of the following three nationwide credit reporting companies to place your Fraud Alert: TransUnion, Equifax, or Experian. As soon as the credit reporting company confirms your Fraud Alert, they will also forward your alert

request to the other two nationwide credit reporting companies so you do not need to contact each of them separately. The contact information for the three nationwide credit reporting companies is:

Equifax  
PO Box 740256  
Atlanta, GA 30374  
[www.alerts.equifax.com](http://www.alerts.equifax.com)  
1-800-525-6285

TransUnion  
PO Box 2000  
Chester, PA 19016  
[www.transunion.com/fraud](http://www.transunion.com/fraud)  
1-800-680-7289

Experian  
PO Box 9554  
Allen, TX 75013  
[www.experian.com/fraud](http://www.experian.com/fraud)  
1-888-397-3742

### **Free Credit Report Information**

Under federal law, you are also entitled to one free credit report once every 12 months from each of the above three major nationwide credit reporting companies. Call 1-877-322-8228 or make a request online at [www.annualcreditreport.com](http://www.annualcreditreport.com). Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Victim information sometimes is held for use or shared among a group of thieves at different times. Checking your credit reports periodically can help you spot problems and address them quickly. If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Get a copy of the report; many creditors want the information it contains to absolve you of the fraudulent debts. You also should file a complaint with the Federal Trade Commission (FTC) at [www.identitytheft.gov](http://www.identitytheft.gov) or at 1-877-ID-THEFT (1-877-438-4338). Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcers for their investigations. Also visit the FTC's website at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) to review their free identity theft resources such as their comprehensive step-by-step guide "Identity Theft – A Recovery Plan".

### **Security Freeze Information**

You can request a "Security Freeze" on your credit file by sending a request in writing, by mail, to each of the three nationwide credit reporting companies. When a Security Freeze is added to your credit report, all third parties, such as credit lenders or other companies, whose use is not exempt under law will not be able to access your credit report without your consent. The Security Freeze may delay, interfere with or prohibit the timely approval of any subsequent request or application you make that involves access to your credit report. This may include, but is not limited to, new loans, credit, mortgages, insurance, rental housing, employment, investments, licenses, cellular phone service, utility service, digital signature service, Internet credit card transactions and extension of credit at point of sale. Placing, temporarily lifting, or removing a Security Freeze with each of the nationwide consumer reporting companies is free, although placing a credit lock may have monthly fees. To place a Security Freeze on your credit files at all three nationwide credit reporting companies, write to the addresses below and include the following information:

Equifax Security Freeze  
PO Box 105788

TransUnion Security Freeze  
PO Box 2000

Experian Security Freeze  
PO Box 9554

Atlanta, GA 30348

[www.transunion.com/freeze](http://www.transunion.com/freeze)

1-800-909-8872

Allen, TX 75013

1-888-397-3742

- Your full name (first, middle, last including applicable generation, such as JR., SR., II, III, etc.)
- Your Social Security Number
- Your date of birth (month, day and year)
- Your complete address including proof of current address, such as a current utility bill, bank or insurance statement or telephone bill
- If you have moved in the past 2 years, give your previous addresses where you have lived for the past 2 years
- A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)

Within 5 business days of receiving your request for a security freeze, the consumer credit reporting company will provide you with a personal identification number (PIN) or password to use if you choose to remove the freeze on your consumer credit report or to authorize the release of your consumer credit report to a specific party or for a specified period of time after the freeze is in place.

**Special note for minors affected by this incident:**

The same services referred to above may not be available to affected minors. As an alternative, parents/legal guardians can check to see if your child may be a victim of identity theft by using TransUnion's secure online form at [www.transunion.com/childidentitytheft](http://www.transunion.com/childidentitytheft) to submit your information so TransUnion can check their database for a credit file with your child's Social Security Number. After TransUnion's search is complete, they will respond to you at the email address you provide. If they locate a file in your child's name, they will ask you for additional information in order to proceed with steps to protect your child from any impact associated with this fraudulent activity.

**Special note to Massachusetts residents:**

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. Based on the nature of this incident, no police report has been filed. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.
