Re: Notice of data breach

Dear <<FirstName>> <<LastName>>,

Baywood Medical Associates, PLC dba Desert Pain Institute ("DPI") is writing to inform you of a recent data security incident that may have exposed your sensitive personal information. At this time, we are unaware of any misuse of your personal information. However, we take the security of your personal information seriously and wanted to provide you with details about the steps we are taking in response and resources available to help you protect against the potential misuse of your information.

What We Are Doing

We are committed to doing everything we can to help protect the privacy and security of the personal information in our care. Since the discovery of the incident, we have taken and will continue to take steps to mitigate the risk of future issues. Notably, upon discovery of the incident, we moved quickly to initiate our incident response plan, which included conducting an investigation with the assistance of the third-party forensic specialists to contain and safely restore our systems. We are also enhancing our security measures for our systems and servers, and have installed end-point monitoring tools to continuously monitor our system.

Out of an abundance of caution, we are also providing you with 24 months of complimentary credit monitoring services through IDX. While we are covering the cost of these services, you will need to complete the activation process by following the instructions below.

What You Can Do

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. To place a security freeze on your credit report, you must make a direct request by telephone, secure electronic means (website), or written request to each of the three major consumer reporting agencies: Equifax; Experian; and TransUnion at the addresses and/or numbers below:

Experian
P.O. Box 9554
Allen, TX 75013
1-888-397-3742

www.experian.com/freeze/center.html

TransUnion
P.O. Box 160
Woodlyn, PA 19094
1-888-909-8872

www.transunion.com/credit-freeze

Equifax
P.O. Box 105788
Atlanta, GA 30348-5788
1-888-298-0045

<https://www.equifax.com/personal/credit-report-services/credit-freeze/>

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving a telephone or secure electronic request, or three (3) business days after receiving your written request, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze. To permanently remove the security freeze, or to temporarily lift the security freeze for a specified period of time or to provide a specified entity access to your credit report, you must make a request either by phone, through secure electronic means (website), or send a written request to the credit reporting agencies by mail. Requests must include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. To temporarily remove the security freeze, include the specific period of time you want the credit report available or the name of the entity you want to have access to your credit report. In the case of a request by phone or secure electronic means, the security freeze will be lifted within one (1) hour after receiving the request for removal; or in the case of a request that is by mail, the credit reporting agencies have three (3) business days after receiving your request to permanently or temporarily remove the security freeze.

Please review the enclosed *Steps You Can Take to Help Protect Your Information*, to learn more about how to protect against the possibility of information misuse.

You may also activate the credit monitoring services we are making available to you.

We are offering identity theft protection services through IDX, the data breach and recovery services expert. IDX identity protection services include: 24 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed id theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised.

We encourage you to contact IDX with any questions and to enroll in free identity protection services by calling 1-833-608-3032 or going to <https://app.idx.us/account-creation/protect> and using the Enrollment Code provided above.

Again, we are making these services available to you at no cost; however, you will need to activate yourself in these services. The deadline to enroll is February 3, 2022.

We would like to reiterate that, at this time, there is no evidence that your information was misused. However, we encourage you to take full advantage of the services offered.

For More Information

We recognize that you may have questions not addressed in this letter. If you have additional questions, please call 1-833-608-3032 (toll free) during the hours of 6 a.m. and 6 p.m. General Mountain Time, Monday through Friday (excluding U.S. national holidays).

DPI sincerely regrets any inconvenience or concern that this matter may cause, and remains dedicated to ensuring the privacy and security of all information in our control.

Sincerely,

Steps You Can Take to Help Protect Your Information

Credit Reports: You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone or online. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years.

Monitoring: You should always remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and by monitoring your credit report for suspicious or unusual activity.

Security Freeze: You have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

Experian

P.O. Box 9554
Allen, TX 75013
1-888-397-3742

File Police Report: You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

FTC and Attorneys General: You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General. The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580, www.identitytheft.gov, 1-877-ID-THEFT (1-877-438-4338), TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. Instances of known or suspected identity theft should also be reported to law enforcement.
