Dear <<FirstName>> <<Middle Name>> <<LastName>>:

We take this incident seriously and write to provide you with information about steps you can take to better protect against the possibility of identity theft and fraud, should you feel it is appropriate to do so. We have also taken several actions to enhance our security policies, procedures, and infrastructure. Further, we are continuing to cooperate with law enforcement in their investigation.

As an added precaution we are providing access to <<LENGTH OF CM>> of complimentary credit monitoring services through IDX. Additional details regarding the monitoring services, and instructions for enrolling in the offered services can be found below. We encourage you to remain vigilant against incidents of identity theft, to review your account statements, and to monitor your credit reports for suspicious activities. If you see any suspicious charges on your credit card statements, we encourage you to promptly report the suspicious charges to the issuer of your credit card. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer's express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who obtains access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
