Dear [First\_Name] [Last\_Name],

We are writing to inform you of a recent data security incident discovered by Mutual of Omaha Mortgage, Inc. ("Mutual Mortgage") that involved the above-named party's personal information. Mutual Mortgage is a subsidiary of Mutual of Omaha Insurance Company. The above-named party may have worked with Mutual Mortgage relating to an application for a mortgage loan. Please review this letter for more information about preventing identity theft and protecting yourself against fraud, or information on the steps you can take to help protect your personal information, including enrolling in the complimentary identify protection services offered below.

**Credit Freezes:** Consumers have the right to place a credit freeze or security freeze (referred to as "credit freeze") on their consumer reports. A credit freeze is designed to prevent credit, loans and services from being approved in a consumer's name without the consumer's consent. Using a credit freeze, however, may delay ability to obtain credit. Consumers may request that a freeze be placed on credit reports by sending a request to a credit reporting agency on-line or by certified mail, overnight mail or regular stamped mail to the three national reporting agencies listed below. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report.

Unlike a fraud alert, a credit freeze must be separately placed on a consumer's credit file at each credit reporting company. More information can be obtained about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed below.

The following information should be included when requesting a credit freeze in Massachusetts (documentation for an individual and their spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display name and current mailing address, and the date of issue (statement dates must be recent).

**Fraud Alerts:** There are also two types of fraud alerts that can be placed on credit reports to put creditors on notice that a consumer may be a victim of fraud: an initial alert and an extended alert. Consumers may ask that an initial fraud alert be placed on their credit report if they suspect they have been, or are about to be, a victim of identity theft. An initial fraud alert stays on credit reports for at least one year. An extended alert may be placed on credit reports if consumers have already been a victim of identity theft, with the appropriate documentary proof, and stays on credit reports for seven years. Consumers may place a fraud alert on their credit reports by contacting the toll-free fraud number of any of the three national credit reporting agencies listed below.

**Police Report:** Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.
