Dear <<FirstName>> <<LastName>>,

We are writing to notify you of a recent data security incident that may have impacted some of your personal information. We take the security of your information very seriously, and we sincerely apologize for any concern this incident may cause. This letter contains information about what happened, actions we have taken to prevent a reoccurrence, and steps you can take to protect your information.

What Happened?

As you may be aware, we were recently the target of a sophisticated computer attack. The attacker gained access to our IT systems, holding those systems hostage with the goal of extorting money to prevent their disclosure of information. We took immediate action to isolate the attack, investigate, and secure our IT environment. We also reported the attack to law enforcement.

What Information Was Involved?

On November 15, 2021, we discovered that the attackers exfiltrated some data which included, among other things, personal information including your name, address, and procedure lists. **Your Social Security number and financial information were not accessed and remain secure.**

What We Are Doing

We take the security of your information seriously and have taken measures to reduce the likelihood of a future cyber-attack, including increased network security measures and employee training to recognize external attacks to meet the continually evolving cyber threat.

What You Can Do

Although we have no reports of misuse of your or anyone's information, we encourage you to review the enclosed "Additional Important Information" section included with this letter. This section describes additional steps you can take to help protect yourself including recommendations by the Federal Trade Commission (FTC) regarding identity theft protection.

For More Information

If you have any questions, please call 1-833-381-2284 Monday through Friday from 9:00 am – 9:00 pm Eastern Time, excluding major U.S. holidays. We appreciate your patience and understanding, and we sincerely apologize for any inconvenience or concern this incident may cause you.

Sincerely,

Steven K. Mishkin, M.D.

Massachusetts and Rhode Island residents: You have the right to obtain a police report if you are a victim of identity theft.

For residents of all states:

You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf), Experian (<https://www.experian.com/fraud/center.html>), or Transunion (<https://www.transunion.com/fraud-victim-resource/place-fraud-alert>). A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. Initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Monitoring: You should always remain vigilant for incidents of fraud and identity theft by reviewing payment card account statements and monitoring your credit reports for suspicious or unusual activity.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze for yourself or your spouse or a minor under 16: (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; (5) Proof of current address, such as current utility or telephone bill, bank or insurance statement; (6) legible photocopy of government-issued identification card (state driver's license or ID card, military identification, etc.); and (7) if you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. It is free to place, lift, or remove a security freeze.
