## Re: Notice of Data Security Incident

Dear <<first\_name>> <<middle\_name>> <<last\_name>> <<suffix>>,

M.P. Roberts Insurance Agency (“MPR”) is writing to inform you of a recent data security incident that may have resulted in an unauthorized access to some of your sensitive personal information. While we are unaware of any fraudulent misuse of your personal information at this time, we are providing you with details about the steps we are taking in response, and resources available to help you protect against the potential misuse of your information.

### What We Are Doing

Data privacy and security is among MPR’s highest priorities, and we are committed to doing everything we can to protect the privacy and security of the personal information in our care. Since the discovery of the incident, MPR moved quickly to investigate, respond, and confirm the security of our systems. Specifically, MPR disconnected all access to its network, changed administrative credentials, restored operations in a safe and secure mode, enhanced the security measures, and took steps and will continue to take steps to mitigate the risk of future harm.

In light of the incident, MPR also secured the services of Kroll to provide identity monitoring at no cost to you for 18 months. Kroll is a global leader in risk mitigation and response, and their team has extensive experience helping people who have sustained an unintentional exposure of confidential data. Your identity monitoring services include Credit Monitoring, Fraud Consultation, and Identity Theft Restoration. While we are covering the cost of these services, you will need to complete the activation process by following the instructions below.

### What You Can Do

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer’s credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. To place a security freeze on your credit report, you must make a direct request by telephone, secure electronic means (website), or written request to each of the three major consumer reporting agencies: Equifax; Experian; and TransUnion at the addresses and/or numbers below:

**Experian**

P.O. Box 9554  
 Allen, TX 75013  
 1-888-397-3742

[www.experian.com/freeze/center.html](http://www.experian.com/freeze/center.html)

**TransUnion**

P.O. Box 160  
 Woodlyn, PA 19094  
 1-888-909-8872

[www.transunion.com/credit-freeze](http://www.transunion.com/credit-freeze)

**Equifax**

P.O. Box 105788  
 Atlanta, GA 30348-5788  
 1-888-298-0045

<https://www.equifax.com/personal/credit-report-services/credit-freeze/>

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving a telephone or secure electronic request, or three (3) business days after receiving your written request, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze. To permanently remove the security freeze, or to temporarily lift the security freeze for a specified period of time or to provide a specified entity access to your credit report, you must make a request either by phone, through secure electronic means (website), or send a written request to the credit reporting agencies by mail. Requests must include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. To temporarily remove the security freeze, include the specific period of time you want the credit report available or the name of the entity you want to have access to your credit report. In the case of a request by phone or secure electronic means, the security freeze will be lifted within one (1) hour after receiving the request for removal; or in the case of a request that is by mail, the credit reporting agencies have three (3) business days after receiving your request to permanently or temporarily remove the security freeze.

Please review the enclosed *Steps You Can Take to Help Protect Your Information*, to learn more about how to protect against the possibility of information misuse.

You may also take advantage of the services we are making available to you at no cost. You have been provided with access to the following services from Kroll:

**Single Bureau Credit Monitoring:** You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

**Fraud Consultation:** You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

**Identity Theft Restoration:** If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

## Steps You Can Take to Help Protect Your Information

**Credit Reports:** You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com), or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

**Fraud Alerts:** You can place fraud alerts with the three credit bureaus by phone or online. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years.

**Monitoring:** You should always remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and by monitoring your credit report for suspicious or unusual activity.

**Security Freeze:** You have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. **Monitoring:** You should always remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and by monitoring your credit report for suspicious or unusual activity.

**Security Freeze:** You have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

**File Police Report:** You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

**FTC and Attorneys General:** You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General. The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580, [www.identitytheft.gov](http://www.identitytheft.gov), 1-877-ID-THEFT (1-877-438-4338), TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. Instances of known or suspected identity theft should also be reported to law enforcement.
