Take Advantage of Your Identity Monitoring Services

You've been provided with access to the following services¹ from Kroll:

Triple Bureau Credit Monitoring and Single Bureau Credit Report

Your current credit report is available for you to review. You will also receive alerts when there are changes to your credit data at any of the three national credit bureaus—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who can help you determine if it's an indicator of identity theft.

Web Watcher

Web Watcher monitors internet sites where criminals may buy, sell, and trade personal identity information. An alert will be generated if evidence of your personal identity information is found.

Public Persona

Public Persona monitors and notifies when names, aliases, and addresses become associated with your Social Security number. If information is found, you'll receive an alert.

Quick Cash Scan

Quick Cash Scan monitors short-term and cash-advance loan sources. You'll receive an alert when a loan is reported, and you can call a Kroll fraud specialist for more information.

\$1 Million Identity Fraud Loss Reimbursement

Reimburses you for out-of-pocket expenses totaling up to \$1 million in covered legal costs and expenses for any one stolen identity event. All coverage is subject to the conditions and exclusions in the policy.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator can dig deep to uncover the scope of the identity theft, and then work to resolve it.

¹ Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge. To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

Other Steps You Can Take To Protect Yourself Against Identity Theft And Fraud

Allianz Life encourages you to remain vigilant and seek to protect yourself against possible identity theft or other financial loss by reviewing account statements, notifying your bank, credit card companies, and other providers of the data compromise, and monitoring your credit report, especially for the creation of new accounts.

Credit Reports. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit bureaus. To obtain a free credit report, visit www.annualcreditreport.com or call, toll-free, (877) 322-8228.

Fraud Alerts. At no charge, you can also have these credit bureaus place a "fraud alert" on your file that alerts creditors to take additional steps to verify your identity prior to granting credit in your name. Please note, however, that because it tells creditors to follow certain procedures to protect your credit, it may also delay the ability to obtain credit while the agency verifies your identity. As soon as one credit bureau confirms your fraud alert, the others are notified to place fraud alerts on your file. If you wish to place a fraud alert, or you have questions regarding your credit report, you can contact any one of the following agencies:

Equifax: Equifax Information Services LLC P.O. Box 105069 Atlanta, GA 30348-5069 (888)-836-6351 my.equifax.com/consumer-registration	Experian: Consumer Fraud Assistance P.O. Box 9554 Allen, TX 75013 (888) 397-3742 www.experian.com	TransUnion: TransUnion Fraud Victim Assistance P.O. Box 2000 Chester, PA 19016 (800) 680-7289 www.transunion.com/fraud-victim-resource/place-fraud-alert

Security/Credit Freeze. You have the right to put a security freeze on your credit file. A security freeze (also known as a credit freeze) makes it harder for someone to open a new account in your name. It is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to apply for a new credit account or any service that requires a credit check. You must separately place a security freeze on your credit file with each credit reporting agency. To place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, etc. There is no charge to request a security freeze or to remove a security freeze. If you wish to place a security freeze, you must contact each of the following agencies:

Equifax: Equifax Information Services LLC P.O. Box 105788 Atlanta, GA 30348-5788 (888) 298-0045 my.equifax.com/consumer-registration	Experian: Experian Security Freeze P.O. Box 9554 Allen, TX 75013 (888) 397-3742 www.experian.com/freeze	TransUnion: TransUnion LLC P.O. Box 2000 Chester, PA 19016 (888) 909-8872 www.transunion.com/credit-freeze
