Re: Notice of Vendor Data Privacy Incident

Dear Sample A. Sample:

Gore takes issues related to data privacy seriously and is committed to maintaining the privacy and security of your personal information. We are writing to notify you of a recent data privacy incident at Professional Duplicating, an outside print and mailing vendor used by Gore.

At this time, we have no reason to believe that your personal information has been accessed or used inappropriately, but we are sending this letter out of an abundance of caution to share with you what occurred, what information was involved, what we have done, and what you can do to protect your privacy.

What Occurred?

On January 25, 2022, Professional Duplicating, a print and mailing vendor used by Gore, intended to send Associates that receive paper W-2 Forms their 2021 W-2 Forms, but inadvertently sent 2020 W-2 Forms in error. Gore became aware of this error on January 27th. Upon further investigation, on February 9th, we discovered that for former Associates who had changed their mailing addresses to a different address from that which was used in 2020, the 2020 paper W-2 Form was sent to the old (2020) address instead of the new address.

Our records indicate that you are one of those former Associates with an address change. Because of this, your old W-2 Form was mailed to an incorrect address. Your W-2 Form was in a sealed envelope that was addressed to you and since it is against the law to interfere with or open a piece of mail that is addressed to another person, Gore expects that your paper W-2 Form that was mailed in error to an outdated address will not be opened and will be forwarded to you or returned to Gore as the sender.

What Information Was Involved?

Information on your W-2 form includes your name, address, social security number, and wages.

What We Are Doing

Gore is committed to maintaining the privacy and security of your information and is taking this data privacy incident very seriously. Since learning of the incident, we have been taking steps to determine the details of what occurred, which current and former Associates are involved, and ways to lessen any potential impact on you.

REFERENCE GUIDE

In the event that you suspect that you are a victim of identity theft, we encourage you to remain vigilant and consider taking the following steps:

Order Your Free Credit Report. To order your free credit report, visit www.annualcreditreport.com, call toll-free at 877-322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's website at www.ftc.gov and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Do not contact the three credit bureaus individually; they provide your free report only through the website or toll-free number.

When you receive your credit report, review the entire report carefully. Look for any inaccuracies and/or accounts you don't recognize, and notify the credit bureaus as soon as possible in the event there are any.

You have rights under the federal Fair Credit Reporting Act ("FCRA"). These include, among others, the right to know what is in your file; to dispute incomplete or inaccurate information; and to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit <https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf> or www.ftc.gov

Place a Fraud Alert on Your Credit File: To protect yourself from possible identity theft, consider placing a fraud alert on your credit file. A fraud alert helps protect you against the possibility of an identity thief opening new credit accounts in your name. When a merchant checks the credit history of someone applying for credit, the merchant gets a notice that the applicant may be a victim of identity theft. The alert notifies the merchant to take steps to verify the identity of the applicant. You can report potential identity theft to all three of the major credit bureaus by calling any one of the toll-free fraud numbers below. You will reach an automated telephone system that allows you to flag your file with a fraud alert at all three bureaus.

Equifax	P.O. Box 740241 Atlanta, Georgia 30374-0241	1-800-525-6285	www.equifax.com
Experian	P.O. Box 9532 Allen, Texas 75013	1-888-397-3742	www.experian.com
TransUnion	Fraud Victim Assistance Division P.O. Box 2000 Chester, Pennsylvania 19016	1-800-680-7289	www.transunion.com

Place a Security Freeze on Your Credit File. You have the right to place a "security freeze" on your credit file. A security freeze generally will prevent creditors from accessing your credit file at the three nationwide credit bureaus without your consent. You can request a security freeze free of charge by contacting the credit bureaus at:

Equifax	P.O. Box 740241 Atlanta, Georgia 30374-0241	1-888-298-0045	www.equifax.com
Experian	P.O. Box 9554 Allen, Texas 75013	1-888-397-3742	www.experian.com
TransUnion	Fraud Victim Assistance Division P.O. Box 2000 Chester, Pennsylvania 19016	1-800-680-7289	www.transunion.com

The credit bureaus may require that you provide proper identification prior to honoring your request. In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years.
5. Proof of current address, such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to law enforcement agency concerning identity theft

Placing a security freeze on your credit file may delay, interfere with, or prevent timely approval of any requests you make for credit, loans, employment, housing or other services. For more information regarding credit freezes, please contact the credit reporting agencies directly.

Contact the U.S. Federal Trade Commission. If you detect any incident of identity theft or fraud, promptly report the incident to your local law enforcement authorities, your state Attorney General and the Federal Trade Commission ("FTC"). If you believe your identity has been stolen, the FTC recommends that you take these additional steps.

- Close the accounts that you have confirmed or believe have been tampered with or opened fraudulently. Use the FTC's ID Theft Affidavit (available at www.ftc.gov/idtheft) when you dispute new unauthorized accounts.
- File a local police report. Obtain a copy of the police report and submit it to your creditors and any others that may require proof of the identity theft crime.

You can learn more about how to protect yourself from becoming an identity theft victim (including how to place a fraud alert or security freeze) by contacting the FTC:

For Massachusetts Residents: You have a right to request from us a copy of any police report filed in connection with this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. As noted above, you also have the right to place a security freeze on your credit report at no charge.
