Dear <<FIRST NAME>> <<LAST NAME>>:

Oklahoma City Indian Clinic writes to inform you of a recent incident that may impact the privacy of certain information provided to us. We take this incident very seriously and are providing you information about the incident, our response, and steps you can take to protect your information.

On March 10, 2022, we experienced a network disruption that impacted our ability to access certain files on our network. We immediately began an investigation, which included working with third-party specialists to determine the nature and scope of the activity. Our investigation determined that certain information on our network was accessed. Therefore, in an abundance of caution, we reviewed the contents of the network to determine the type of information contained therein and to whom the information related. On April 28, 2022, we completed our review and confirmed contact information to notify potentially impacted individuals.

The type of information maintained on our network varies by individual but may include your name and one or more of the following data elements: date of birth, treatment information, prescription information, medical record, physician information, health insurance policy number, phone number, Tribal ID number, Social Security number, driver's license number.

In response to this incident, we changed account passwords and are reviewing our policies and procedures related to data protection. Additionally, although we have no evidence of actual or attempted misuse of information as a result of this incident, we are providing you access to <<12/24>> months of credit monitoring and identity protection services at no cost to you. Instructions about how to enroll in these services and additional resources available to you are included in the enclosed "*Steps You Can Take to Protect Your Information*".

We understand you may have questions about this incident. You may contact our dedicated assistance line at 1-833-909-4436, Monday through Friday from 8 am – 8 pm Central Time (excluding major U.S. holidays), or write to us at 4913 W. Reno Ave, Oklahoma City, OK 73127.

We sincerely regret any concern this incident may cause you. The privacy and security of information is important to us, and we will continue to take steps to protect information in our care.

Sincerely,

Robyn Sunday-Allen  
Chief Executive Officer  
Oklahoma City Indian Clinic

## STEPS YOU CAN TAKE TO PROTECT YOUR INFORMATION

### Enroll in Credit Monitoring / Identity Protection

- 1. Website and Enrollment.** Go to <https://response.idx.us/okcic> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter. Please note the deadline to enroll is August 6, 2022.
- 2. Activate the credit monitoring** provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.
- 3. Telephone.** Contact IDX at 1-833-909-4436 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.
- 4. Review your credit reports.** We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help. If you file a request for help or report suspicious activity, you will be contacted by a member of the IDX ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

### Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
