Dear [REDACTED]:

Albin Randall & Bennett PA (“ARB”) values and respects the privacy of your information, which is why we are writing to advise you of a recent incident that may have involved some of your personal information. We have no reason to believe that your personal information has been misused for the purpose of committing fraud or identity theft. Nonetheless, we are providing you this notice with guidance on what you can do to protect yourself, should you feel it is appropriate to do so.

We recently discovered suspicious activity in a file sharing application utilized to transfer files to, and receive files from, our clients. Upon discovering the activity, we promptly secured the application and began an internal investigation. We also engaged a forensic security firm to further investigate and confirm the security of our systems. This investigation determined that an unauthorized party gained access to a single employee’s email account for a short period of time, and that the unauthorized party used this access to download copies of files stored in the file sharing application. Upon learning this, we reviewed the contents of the potentially downloaded files to determine if they contained any personal information. On May 3, 2022, based on that review, we determined that the files contained your name, together with your Social Security number.

Although we are not aware of any instances of fraud or identity theft involving your information, in an abundance of caution we are offering a complimentary two-year membership of Experian IdentityWorks<sup>SM</sup> Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you, and enrolling in this program will not hurt your credit score. **For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate your complimentary two-year membership, please see the additional information provided in this letter.** You can also find more information on steps to protect yourself against identity theft or fraud in the enclosed *Additional Important Information* sheet.

Please know that we are undertaking a review of our already existing digital security measures, training and applications.

We value the trust you place in us to protect your privacy, take our responsibility to safeguard your personal information seriously, and apologize for any inconvenience or concern this incident might cause.

Please contact us if you have any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads 'Cheri Walker'.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization.
