NOTICE OF DATA BREACH

Dear [REDACTED]

We are writing to inform you of a cybersecurity incident that may have affected personal information related to you. While we are not aware of any evidence indicating that your personal information has been misused or sold, we recommend that you remain vigilant and review your financial records and statements for signs of suspicious activity out of an abundance of caution.

You can request a free Security Freeze (aka "Credit Freeze") on your credit file by contacting each of the three nationwide credit reporting companies via the channels outlined below. When a Credit Freeze is added to your credit report, third parties, such as credit lenders or other companies, whose use is not exempt under law will not be able to access your credit report without your consent. A Credit Freeze can make it more difficult for someone to get credit in your name; however, please be aware that it also may delay your ability to obtain credit.

Equifax Security Freeze

Experian Security Freeze

To request a Credit Freeze, you may need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)

We apologize for any inconvenience this may cause. If you have any questions or need additional information, please feel free to contact me at 612-222-8724 or Thomas.Hamilton@bsci.com.
