Directions for Placing a Fraud Alert or Credit Freeze

Fraud Alerts: You may want to consider placing an initial fraud alert on your credit file. A fraud alert tells creditors to contact you before they open any new accounts or change your existing accounts. Consumers may ask that an initial fraud alert be placed on their credit report if they suspect they have been, or are about to be, a victim of identity theft. An initial fraud alert stays on credit reports for at least one year. An extended alert may be placed on credit reports if consumers have already been a victim of identity theft, with the appropriate documentary proof, and stays on credit reports for seven years. Consumers may place a fraud alert on their credit reports online or by contacting the toll-free fraud number of any of the three national credit reporting agencies listed below.

Credit Freezes: Consumers have the right to place a credit freeze or security freeze (referred to as "credit freeze") on their consumer reports. A credit freeze is designed to prevent credit, loans and services from being approved in a consumer's name without the consumer's consent. Using a credit freeze, however, may delay ability to obtain credit. Consumers may request that a freeze be placed on credit reports by sending a request to a credit reporting agency on-line or by certified mail, overnight mail or regular stamped mail to the three national reporting agencies listed below. Unlike a fraud alert, a credit freeze must be separately placed on a consumer's credit file at each credit reporting company. More information can be obtained about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed below.

Equifax: 877-478-7625 www.equifax.com; PO Box 740241, Atlanta GA, 30374-0241

Experian: 888-397-3742 www.experian.com; PO Box 9532, Allen TX 75013

TransUnion LLC: 800-680-7289 www.transunion.com; PO Box 6790, Fullerton CA 92834

To obtain a credit freeze, you will need to supply your name, address, date of birth, Social Security number, and other personal information. The agencies are not permitted to charge you for placing or lifting a freeze. Each credit reporting agency will confirm your request with a unique PIN or password that you will need in order to lift or remove the freeze. You should keep the PIN or password in a safe place.

Directions for Obtaining a Credit Report

Please remember that while this matter may not involve significant risk, it is always good practice to take sensible steps to protect yourself by regularly reviewing your account statements and your credit report. As you may know, under federal law, you are entitled to one free copy of your credit report every 12 months from each of the major credit reporting agencies. You may obtain a free copy of your credit report by calling 1-877-FACT ACT (1-877-322-8228) or by visiting www.annualcreditreport.com. Once you receive your reports, review them carefully for inquiries from companies you did not contact, accounts you did not open, and debts on your accounts that you cannot explain. Verify the accuracy of your Social Security number, address(es), full name and employer(s). Notify the credit reporting companies if any information is incorrect.
