Re: NYRA Security Breach

Dear Mr./Ms. [REDACTED]:

We are writing to inform you of a recent security incident at The New York Racing Association, Inc. (“NYRA”). This notification is sent pursuant to the Massachusetts Law on Security Breaches, Mass. Gen. Laws Ann. ch. 93H, § 3.

NYRA experienced a ransomware attack on or about June 30, 2022, that resulted in NYRA systems being encrypted and certain NYRA and personal files being accessed. Some of these files contained personally identifiable information. Due to the encryption of NYRA systems, NYRA only recently completed its review of the accessed files. Based on this review, NYRA determined that documents that include social security numbers, driver’s license identification numbers and other personal information are in the possession of the ransomware attacker. In response to the ransomware attack, NYRA has been working closely with federal law enforcement as well as a private team of cybersecurity professionals since it discovered the attack. This letter details the steps NYRA is taking to help you protect your information.

To help protect your identity, NYRA is offering a complimentary 24-month membership of Experian’s® IdentityWorksSM. A credit card is **NOT** required to enroll in Experian’s® IdentityWorksSM. This product provides you with superior identity detection and resolution of identity theft. To activate your membership and start monitoring your personal information please follow the steps below:

- Ensure that you enroll by: **November 25, 2022** (Your code will not work after this date.)
- Visit the Experian IdentityWorks website to enroll: <https://www.experianidworks.com/3bcredit>
- Provide your activation code: [CODE]

Massachusetts residents can also consider placing a Security Freeze on their credit reports. A Security Freeze prevents most potential creditors from viewing your credit reports and therefore, further restricts the opening of unauthorized accounts. For more information on placing a security freeze on your credit reports, please go to

the State of Massachusetts Office of Consumer Affairs and Business Regulation website at <https://www.mass.gov/how-to/request-a-credit-report-security-freeze>

You have a right to obtain a police report.

When you receive a credit report from each agency, review the reports carefully. Look for accounts you did not open, inquiries from creditors that you did not initiate, and confirm that your personal information, such as home address and Social Security number, is accurate. If you see anything you do not understand or recognize, call the credit reporting agency at the telephone number on the report. You should also call your local police department and file a report of identity theft. Get and keep a copy of the police report because you may need to give copies to creditors to clear up your records or to access transaction records.

Even if you do not find signs of fraud on your credit reports, we recommend that you remain vigilant in reviewing your credit reports from the three major credit reporting agencies. You may obtain a free copy of your credit report once every 24 months by visiting www.annualcreditreport.com, calling 877-322-8228, or by completing an Annual Credit Request Form at: www.ftc.gov/bcp/menus/consumer/credit/rights.shtm and mailing it to:
