### **Free Credit Report**

Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus (Equifax, Experian, and TransUnion). Obtaining a copy of your credit report from each agency on an annual basis, and reviewing it for suspicious activity, can help you spot problems and address them quickly. You can request your free credit report online at [www.annualcreditreport.com](http://www.annualcreditreport.com) or by phone at 1-877-322-8228. You can also request your free credit report by completing the request form at: [www.annualcreditreport.com](http://www.annualcreditreport.com), and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

\* The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

## **Fraud Alert**

As a precaution against identity theft, you can consider placing a fraud alert on your credit file. A "fraud alert" tells creditors to contact you before opening a new account or changing an existing account. A fraud alert also lets your creditors know to watch for unusual or suspicious activity. To place a fraud alert, call any one of the three major credit reporting agencies listed below. An initial fraud alert remains effective for ninety days and is free of charge. If you wish, you can renew the fraud alert at the expiration of this initial period. As soon as one credit agency confirms your fraud alert, the others are notified to place fraud alerts on your file.

## **Security Freeze**

Under the law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of suspected identity theft, we recommend that you file a police report and obtain a copy of it.

Federal law also allows consumers to place, lift or remove a security freeze on their credit reports at no charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. Be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing, or other services.

To place a security freeze on your credit report, you must send a written request by regular, certified, or overnight mail at the addresses below to *each* of the three major credit reporting agencies: Equifax ([www.equifax.com](http://www.equifax.com)); Experian ([www.experian.com](http://www.experian.com)); and TransUnion ([www.transunion.com](http://www.transunion.com)). You may also request the security freeze through *each* of the credit reporting agencies' websites or over the phone:
